

Dear Users of the Tutor Registry:

As a community service, the Naperville Branch of the American Association of University Women has updated the Tutor Registry, which lists the available tutors and their respective subject areas. Some listed are certified teachers; others are willing to share their expertise in a field other than teaching. Everyone on the list holds at least a Bachelor's degree.

Fees and appointments are to be arranged by the tutor and the prospective student and/or parent. Feel free to ask for references. Neither AAUW nor the school districts assume any legal responsibility.

Tutors are listed by the geographic area codes in which they live. Many tutors are willing to travel. A "Y" indicates willingness to travel to either a student's home or the nearest library. If there are two letters, "Y (yes) or N (no)", the first indicates home travel and the second indicates library travel.
