

Naperville School District 203
K-5 Parent Permission Form
Walking Field Trip

Dear Parent or Guardian:

There are times during the school year when our students take a walking field trip around the grounds of the school, to another nearby school, or to a nearby business. These field trips would be appropriate for the age of the student and supervised by the classroom teachers. Please indicate whether or not your child has your permission to participate. Sign and return this completed form to the classroom teacher.

Under no circumstances can a child participate in a walking field trip unless this signed form is on file at the school.

Thank you.
