k				students.	
Elementary Meadow Glens	AL	Decision Making & Collaborating	Surveys: Home & School/SFCP/School Manners Matrix/Exit Surveys	Surveys used to evaluate SFCP programs, gather input on interest, needs and perceptions, rate effectiveness on specific dimension, generate future goals.	Yvonne Janvrin
Elementary Meadow Glens	AL	Parenting, Learning at Home & Collaborating	Business Partnership	Anderson's Book Store provides assistance in the selection of children's books and parent resources. Authors present for students and students serve as book critics for their peers.	Julie Kassen
Elementary Mill Street	AL	Collaborating	NCC Reading Buddy Project	Students at NCC who are taking a reading methods course correspond via the NC Web Board with 4th & 5th graders. The NCC students provide constructive feedback on the reading strategies used by Mill students. The NCC students also use appropriate questioning strategies with our Mil students.	Jboor@ncusd203.org
Elementary Mill Street	AL	Learning at Home	Reading/Math Learning activities	The teams that facilitate the reading and math school improvement goals send home math and reading activity sheets that provide ways to work with students at home to improve learning in these two goal areas.	Jboor@ncusd203.org
Elementary Mill Street	AL	Learning at Home	Books in a blanket Program	Students made quilts and raised money through a "gently used" in school books sale to provide NEW books for children in family and women's shelters.	Judy Eberhard Jeberhard@ncusd203.org
Elementary Naper	AL	Communicating, Volunteering & Learning at Home	Ice Cream Social	At the end of May, we invite all families into the individual classrooms to see what the children have accomplished. We serve ice cream in the gym, providing an opportunity to meet other families. In the LRC, we run a book fair, providing reading material for the summer and as a fundraiser. Budget is \$700	Mary Ellen DiMatteo 305-3126
Elementary	AL	Learning at Home	Book, Beverage &	Families are asked to bring a book, beverage and	Gayle Heldmann

School Type & Name	SIP Goal	Epstein Type	Program Name	Program Description <i>(Goal, Target, Key Elements, Timing, Budget & Evaluation Tool)</i>	Contact Info.
<p>AL= Academic/Literacy AM= Academic/Math AO= Academic/Other (please specify) SS= Staff/Site Goal SE= Social/Emotional Learning PC=Parent/Community Goal O= Other</p>					
Naper			Blanket Party	blanket to school. SFCP provides a pizza dinner and an unusual place to read (the gym). Families have brought along camping lights and lawn chairs. After dinner, families settle down and read. Harried parents actually get a few quiet moments to read. Budget is \$370.00 minus the \$155.00 we made that night in donations. People were asked to write a check for \$5.00 to reserve their space. The check would be returned to them at the door, so the evening would be free if they showed up. Many families decided to donate their check anyway since it was already made out. The evaluation was done by noticing how quickly families get their reservations in since space is limited.	420-1984
Elementary Naper	AL	Learning at Home & Collaboration	Ozzie Reading Club	We kick off the program with a visit from Ozzie to the school. Children who read the minimum amount (established by teachers) everyday for 8 weeks are rewarded with a ticket to the Kane County Cougars game. We have also rewarded the classes with the highest % participation and highest average number of minutes read per child. One year Anderson Books provided gift certificates to the highest readers. Budget \$360.00	Mary Derwinski 357-2782
Elementary Naper	AL	Learning at Home, Community & Collaboration	Great American Reading Program	Great America Provides a free ticket to those students who complete 6 hours of recreational reading. Reading for homework does not count.	Mary Derwinski 357-2782
Elementary Prairie	AL	Collaborating	Poetry Slam	Program was held in the LRC. A guest poet started the evening by explaining the concept and rules of a poetry slam (performance poetry). Students and parents participated as judges, scorekeepers and	Paula Schuler

School Type & Name	SIP Goal	Epstein Type	Program Name	Program Description (Goal, Target, Key Elements, Timing, Budget & Evaluation Tool)	Contact Info.
<p>AL= Academic/Literacy AM= Academic/Math AO= Academic/Other (please specify) SS= Staff/Site Goal SE= Social/Emotional Learning PC=Parent/Community Goal O= Other</p>					
				poetry performers. The target was all Prairie families. An exit survey was used to assess the vent. The feedback indicated at the event was a success as it got the students interested in reading poetry and in performing in front of a group. Budget: \$450	
Elementary Ranch View	AL	Collaborating	Business Partnerships	We currently have three Business partnerships: U.S. Post Office, Morton Arboretum, Benedictine University	Karen Currier kcurrier@ncusd203.org
Elementary Ranch View	AL	Communication	Parent Bulletin Board	Focused on our School Improvement Plan goal in literacy, especially writing and social/emotional issuers, the Parent Bulletin Board is a central location for parents to gain access to valuable information. It is located in the school lobby in the parent corner. Through this board, parents have access to information about helping their children at home, workshops, seminars and interesting articles.	Kirsten Laurin Kovitz Klkovitz@aol.com
Elementary Ranch View	AL	Decision Making	School Improvement Team & Expert Group Liaisons	Representatives of the SFCP team are members of the School Improvement Team. One parent serves on each Expert Group. Parents communicate their perspective on SIP to other parents via Ranch View Review newsletter.	Karen Currier kcurrier@ncusd203.org
Elementary Ranch View	AL	Learning at Home	Family Literacy Night	Children and their families are invited to attend evening events which celebrate literacy and encourage lifelong readers. Events include read-aloud by staff and community members, multicultural literature, author visits and quiet time spent with family members for the sheer purpose of enjoying reading. These events are well attended and culminating Family Nights at Kane County Courage's are also well attended by those students who have read and met reading goals throughout the year.	Virginia Jamnicki vjamnicki@ncusd203.org

School Type & Name	SIP Goal	Epstein Type	Program Name	Program Description <i>(Goal, Target, Key Elements, Timing, Budget & Evaluation Tool)</i>	Contact Info.
AL= Academic/Literacy AM= Academic/Math AO= Academic/Other (please specify) SS= Staff/Site Goal SE= Social/Emotional Learning PC=Parent/Community Goal O= Other					
Elementary Ranch View	AL	Learning at Home	Focused Literacy Orientation	To assist parents in having a shared understanding of the need for continuous improvement in our literacy program, teachers conduct informational meeting for parents (K-2) (3-5) at orientation. Teachers shared common practices from their classrooms and assisted parents in knowing how to work with their children in support of literacy at home. Such positive results were given for starting the year this way, that writing will be a focus for next year's orientation.	Kirsten Laurin Kovitz Klkovitz@aol.com
Elementary Ranch View	AL	Learning at Home	Reading Rainbow	To enhance the SIP goal of writing and encourage students to keep reading over the summer months, the SFCP team developed a book recommendation program in which students would read and write their recommendations for good books and mail those to the school on post cards. The cards would be arranged as a huge rainbow in the library. The program also ties into our NEF grant for summer LRC hours. Once a week, as part of this program, student can come to Ranch View LRC to check out books from 10-2 for an 8 week period of time.	Deb Cohen debramcohen@hotmail.com
Elementary River Woods	AL	Learning at Home	School-wide Family reading	In the fall and spring, an all school reading program is sponsored. Students track their minutes and are rewarded with such prizes as baseball tickets.	Mary Beth Losch
Elementary Steeple Run	AL	Collaborating	Read and Browse	Students display collections of their writing in the LRC during a 2 day period. Parents and community members are invited to share in the reading of these selections with the children during this celebration of writing.	Tana Williams 420-6385 twillimas@ncusd203.org
Elementary Steeple Run	AL	Communicating	School-wide Reading Project	Annual reading project coordinated by the LRC Director to encourage children to read or be read to at home	Tana Williams twilliams@ncusd203.org

Jr High School Madison	PC	Volunteering	Sixth Grade Family Picnic	also given that evening. The SFCP team planned the picnic for the first full week of school after determining it did not conflict with feeder school Open Houses. They promoted the picnic through flyers, the school calendar and the summer registration packet. Closer to the picnic the SFCP team shopped for nametags, meat and buns, and small bottles of condiments (so that multiple people could use them at one time) and paper products. One the day of the picnic, all tables were covered with white paper and crayons were put down so younger siblings could draw on the tables. Each family brought one dish or dessert to and was charged \$1/per person or \$5/per family. Parent volunteers worked half hour shifts at the barbeque while teachers watched the food line and served drinks. Helping serve the food allowed the teachers to interact with the student and parents. The picnic lasted from 6:00-8:00 and families were free to come and go as their scheduled permitted	Mark Pasztor mpasztor@ncusd203.org
