

Dear Parents of Incoming 6th Graders,

To help our office staff ensure incoming students have a complete schedule at the start of the 19-20 school year, we ask that families designate which performance music program(s) their child intends to participate in. In addition to offering a continuation of the band and orchestra programs offered in elementary school, students can also enroll in choral music. If interested, students may select one instrumental program as well as choral music.

Kennedy students who enroll in any performance music group attend two whole grade rehearsals two times a week. These rehearsals take place during supervised study. In addition, band and orchestra students attend a weekly sectional lesson in which they are pulled from another class on a rotating schedule.

Please complete the form below and return to your child's 5th grade classroom teacher or the Kennedy main office by **Friday, May 10th**.

Thank you,

Brian Valek
Principal
Kennedy Junior High School
