JUNIOR HIGH SUMMER SCHOOL 2017

Dear Parents and/or Guardians:

In an effort to provide additional opportunities for those students desiring an extension of the school year, we are offering a junior high summer school program again this year. The program is broken down into two three week semesters. All summer school classes will begin on Monday, June 5, 2017. Semester 1 will end on June 23rd. Semester 2 will begin on Monday, June 26th and end Friday, July 14th. Classes run Monday thru Friday with the exception of July 3rd and July 4th.

Classes will meet at **Madison Junior High School, located at 1000 River Oak Drive**.

SUMMER SCHOOL TRANSPORTATION:
Transportation will be available for $25 per three week session for qualifying District 203 residents. Registration received prior to May 19, 2017 will be used to construct bus routes. Bus routes are unique to summer enrollment and may not reflect the established routes of the regular school year. Registrations that include transportation submitted after May 19, 2017 will not be considered in the development of bus routes; however students will be able to join an existing route once they are posted. **If joining a bus route after May 19, it will take 3 days to add students to the bus route. If this happens after the start of summer classes, it will be the responsibility of the family to provide transportation until the bus roster is updated.** This transportation is ONLY available for Summer School Session 1 arrival, which occurs at 7:30 a.m. and at the end of Session 2, which is at 12:20 p.m. Eligibility for transportation will follow the regular school year bussing policies found at: http://www.naperville203.org/domain/874.

ALTERNATE BUS STOP INFORMATION
Students who are regularly transported to or from a bus stop other than the one assigned for their home address must have a signed, current request on file at the District's transportation office. This form is required when a day care is used and the student must be picked up or dropped off at an alternate location. This form is required to be filed annually or whenever a change is made and must be filled out for summer school even if it was already filled out for the regular academic school year. Forms must be received by May 19, 2017 in order to be processed for the first day of school. Requests received after school has started may require up to 3 days processing time. Requests may not be honored if the requested bus is at capacity. Click here to download the Request to Transport Student to/from a Different Bus Stop: Request to Transport Student to/from a Different Bus Stop.
