

# Online Registration and Payment Account Setup

Welcome to our new online registration system for summer school. All users will need to create an account prior to selecting classes.

1. All users will need to create an account by selecting **Sign Up**.

2. Parents will need to enter their Parent contact information. Once that information has been entered, the user will need to agree to the **Terms and Conditions**, and select **Next**

3. Parents will need to add students to their online account. This can be done by searching by the student's **Student ID** and **Last Name** and select **Add Student**.

- To add additional students, repeat step 3.

Welcome to District 203 Summer School. To begin, please fill out the Summer School Registration form below. Transportation will be available for \$25 per three week session for qualifying District 203 residents. Registration received prior to May 19, 2017 will be used to construct bus routes. Bus routes are unique to summer enrollment and may not reflect the established routes of the regular school year. Registrations that include transportation submitted after May 19, 2017 will not be considered in the development of bus routes; however students will be able to join an existing route once they are posted. If joining a bus route after May 19, it will take 3 days to add students to the bus route. If this happens after the start of summer classes, it will be the responsibility of the family to provide transportation until the bus roster is updated. This transportation is ONLY available for Summer School Session 1 arrival, which occurs between 7:30-8:30 a.m. depending on the summer school site, and at the end of Session 2, between 11:45 and 12:20 depending on the summer school site. Eligibility for transportation will follow the regular school year bussing policies found at: <http://www.naperville203.org/domain/874>. ELL and ESY programs will continue to provide transportation at no cost.
