25	26	27	28	29	30	

- 30 Min. Regularly Scheduled Lesson
- 60 Min. Full Ensemble Rehearsal
- Demonstration Concert

Please consult the other side for times and locations.

#### Its time to get excited!

The gift of music is one that your child will enjoy for years to come. District 203 offers an accelerated summer band and orchestra program for beginning students entering 4th or 5th grade in 2017. Students that enroll in the summer program will be prepared to participate immediately in band or orchestra at their home schools in the fall.

The program consists of instrumental music lessons lasting 30 minutes at a cost of \$95 (\$105 for out of district students). Lessons begin on Monday, June 5th. On June 27th, we will combine lesson groups to give students a culminating full ensemble rehearsal experience. Our last day will feature a demonstration concert held on Wednesday, June 28th.

#### What if I cannot attend all of the lessons?

Planned absences are not encouraged due to the accelerated nature of the program, especially within the first week. However, one or two absences may be accommodated

later in the program. Please communicate planned absences to the teacher on the first day of instruction. Students may also consider private lessons or waiting until the fall to begin band or orchestra instruction.

#### When is registration?

We will hold an optional parent informational meeting on Tuesday, May 16 at 7pm at Madison Junior High (1000 River Oak Drive). In-person registration\* will be held on Thursday, May 18, from 5pm-8pm at Madison Junior High. Online registration will begin on Friday, May 19 at 12 noon. (credit card only).

#### Important Registration Information:

Registration is held on a first come first served basis, and classes are limited to 10 students each. A time slot may be cancelled due to low enrollment, in which case participants will be rescheduled by phone.

\* In-person registration is the preferred method of registration because vendors and teachers will be available to answer questions and provide instrument rental information. Cash, checks, and credit cards are accepted, although credit cards incur an additional fee of 3.9%.

### Which instrument is best suited for my child?

District 203 conducts an instrumental music demonstration and clinic for all 3rd grade students in May. Every student will receive a suitability evaluation for two instruments of his or her choice. Parents/guardians will receive notification by U.S. mail indicating which instrument would be the most successful match for their child.

Instruments are recommended with each child's long-term interests in mind. If you are considering signing your child up for an instrument other than the recommended match, you must contact your school's band or orchestra teacher prior to registration.

### What materials will I need?

You will need an instrument, a folding music stand (for concerts and home practicing), a pencil, and the following method book:

**Orchestra:** *Sound Innovations for Strings, Book 1, Standard Edition*

**Band:** *Essential Elements Book 1* for band.

Note that larger instruments (tubas, French horns, baritones, and string basses) are rented through the school district on the evening of summer music registration (May 18).

### How do I access online registration?

Online registration is accessible by clicking "Web Store" at our district website, then clicking "Summer Learning and Athletic Camps." Online registration will not open until Friday, May 19.

### What if I have more questions?

If you have further questions, please consult the District #203 web site, or contact your school's band or orchestra director. Students who wish to wait
