

Program	Description
Battle of the Books & Battle of Books Literature Team Grades 4 and 5	Students will explore a variety of books across genres and will be given ample opportunity to have fun discussing books outside of the classroom setting.
Ready to Learn Grades 1 and 2	There will be 9 stations that help get the brain ready to learn. Students will work on balance, cross lateral movements, motor skill development, vestibular activation, spatial awareness, sensory integration, eye tracking, ocular fitness, exercise, peripheral vision development, patten recognition, and skip counting.
Fit to Learn Grades 3-5	Students will learn how to build proper nutrition, fitness, energy, stress relief, and healthy lifestyles. All activities will help the students become healthier, more active, and ready to learn.
Run Club Grades 3, 4 and 5	Students who are interested in living a healthy lifestyle will have the opportunity to practice their running skills before school.
Beebe Singers Grades 4 & 5	Students will be provided a choral experience with music that is challenging beyond their music class work. Two and three part music will be introduced.
Orff Ensemble Grades 4 and 5	Students who enjoy playing instruments, moving and singing will be provided opportunities to improve in all areas.
Leadership Club Grades 4 and 5	Students will have a chance to learn, foster, and practice the skills it takes to be a leader, while making a positive impact at Beebe and in our community.
Band Holiday Ensemble Grades 4 and 5	Students are provided additional opportunities to practice their skills by learning various holiday songs and then will perform for their peers during the lunch periods.
Beebe Book Club Grades 2 and 3	Students get together once a month to discuss a selected book and do an activity. This is a great opportunity to promote reading and improve communication skills.
Girls on the Run Grades 4 and 5	This program encourages girls to have a healthy lifestyle which includes healthy eating, exercise, how to treat others and how to feel great about yourself. Practice includes a lesson and workout. Girls work toward running a 5k.
Art Club Grade 5	Students will imagine, explore and create works of art.
B2 Problem Solvers Grades 2-5	This program is designed to enrich your child's ability to demonstrate math practice standards through problem-solving. A student must be recommended to participate in this program.
Study Skills Grades 4 and 5	Students are provided time and additional support in the area of study skills. A student must be recommended to participate in this program.
Safety Patrol Grade 5	This program gives students the opportunity to be leaders around the perimeter of the building before and after school. Their job is to remind students of the expectations and help maintain a safe and welcoming environment.

Program	Description
Reading Stars Grades 2-5 th	This program targets at-risk readers. We focus on building healthy reading habits in the students who participate in this program.
Bricks for Kids Grades 2-5	This program provides students the opportunity to build motorized model builds using Lego bricks, gears, and motors. <i>*There is a fee associated with this program and is not taught by Beebe staff members</i>
