

Beebe Activities

Beebe is very fortunate to be able to offer a variety of extracurricular activities to our students. We try to offer our clubs at times that do not conflict with one another however we do sometimes run into schedules that overlap. It is important to determine what option would best meet your child's needs and commit to that one. Students typically may not participate in clubs that meet on the same day and time. There are no fees for clubs unless noted below. Transportation to and or from the activity is the responsibility of parents.
