Affinity Sports is happy to offer a soccer program for young athletes with special needs. We would like to introduce soccer into the lives of children with autism and other intellectual disabilities.

### ***Soccer Players Wanted!***

***Kids in grades 1-5***

***with Autism or Intellectual Disability***

We believe every child should have the opportunity to participate in team sports in their community. Our program pairs young athletes in grades 1-5 with high school peers to play soccer in an encouraging environment. We offer an 8 week season, practice is 1 hour on Sundays at 2:00. Please visit [www.affinitysports.org](http://www.affinitysports.org) to register. Call Mike Boyan 630-886-7072 or email [mike.affinitysports@gmail.com](mailto:mike.affinitysports@gmail.com) with questions.

Registration fee is \$60.00 – includes team shirt and soccer ball
