Huntington Barracudas Swim Team!!

Huntington Swim & Tennis Club at 1400 E. Chicago Avenue

The Huntington Barracudas Swim Team welcomes swimmers from all levels of talent up to the age of 18 to participate in a fun and competitive summer swim club. Our goal is to offer the opportunity for every swimmer to participate and gain a sense of accomplishment through continued improvement. Our coaches provide each swimmer with the instruction and encouragement needed to succeed both individually and as a member of the team. It is our belief that all swimmers should have fun both in and out of the water either by reaching their own goals or by encouraging their teammates to reach theirs. We help each athlete build confidence and self-esteem as well as learn the importance of team spirit and good sportsmanship.

Registration begins March 11th! Register online at huntingtonbarracudas.org.

For more information, please come to our Parent Information Night on Tuesday, April 1th 6:30-8:00pm at Prairie Elementary multi-purpose room. There is a formal information session starting at 7:00pm.
