For more information about the event and Sponsorship opportunities, go to:
<http://www.projecthelpdupage.org/project-helps-2nd-annual-community-begins-at-home-breakfast/>

Dr. Suskind is Professor of Surgery at the University of Chicago, Director of the Pediatric Cochlear Implant Program, and Founder and Director of the Thirty Million Words Initiative. Based on scientific research that shows the critical importance of early language exposure on the developing child, Thirty Million Words helps parents enhance their home language environment in order to optimize their child's brain development, and therefore, his or her ability to learn.

"The distribution of this information and materials through the school district does not imply District 203 endorsement."
