A better home. A better life. A better future.

The Naperville Area Humane Society is pleased to offer the preteens & teens of our community a wonderful opportunity...

2017 Spring Break Junior Internship Program!

We know that preteens and teens want to make a difference in the lives of animals and this program will show them how. We are looking for dedicated teens ages 12-15 to spend their Spring Break with us.

The Naperville Area Humane Society will take ten teens on this week long journey of hands on working with the animals and learning about animal welfare issues from various guest speakers, which will turn their passion into action! This internship will open their eyes and focus on issues that affect animals and the environment in our world today.

If you know a preteen or teen that wants to make a difference, please tell them about this exciting program!
