

Strengths Based Parenting Workshop

February 28th, 7-9PM, in the *Learning Commons* at Naperville North HS

Strengths building leads to success!
Discover your children's talents and help them develop their talents into strengths

How can you discover your children's unique talents? And how can you use your own talents and strengths to be the most effective and supportive parent possible?

Strengths Based Parenting addresses these and other questions on parents' minds. But unlike many parenting books, *Strengths Based Parenting* focuses on identifying and understanding what your children are naturally good at and where they thrive — not on their weaknesses. The book also helps you uncover your *own* innate talents and effectively apply them to your individual parenting style.

Raising a child truly takes a village. *Strengths Based Parenting* can help parents learn how to partner with teachers, coaches and other adults in their kids' lives to create a positive, supportive environment to develop their talents into strengths and instill confidence.

To purchase your discounted copy of **Strengths Based Parenting (\$14.99)**, stop by the **Public School Administrative Center, 203 W. Hillside Road**. Checks should be made out to **NCUSD 203**. Books will also be available the night of the workshop.

If you have more than one child, additional Strengths-Finders assessments can be purchased online at any time for a discounted \$9.99 rate at:
