

JULY 17TH-21ST STE“A”M CAMP

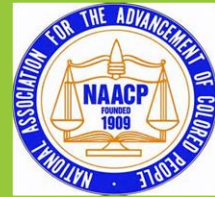

Join us for a full day, fun-filled, and innovative week of camp on the beautiful campus of North Central College located in Naperville, IL. The fun begins with chess! Student will learn about the college experience, explore the sciences, learn how to code, explore a new language, meet new friends, & much more! Courses include science, literature, language, culture, and recreation. Lunch is included.

The distribution of this information and materials through school district does not imply District 203 endorsement.
