

Dear families of 6th grade students,

6th grade students have the opportunity to select the course pathway for their exploratory period in the 7th and 8th grades. Students select a two-year cycle from **one** of the following options:

- Applied Arts and Sciences rotation (1 trimester per year each of Art, Family and Consumer Sciences, and Project Lead the Way)
- World and Classical Languages (3 trimesters per year of either French **or** Spanish) Though they do not receive high school credit for the two years of the middle school program, students who take two years of either French or Spanish at Kennedy enroll in the corresponding French II or Spanish II course as freshmen in District #203.

For a detailed description of these courses, please review the attached documents or visit the [Check Out Your Options](#) page on our website.

If you have any questions, please contact Principal Brian Valek (bvalek@naperville203.org) or our 6th grade counselor Stacy Anderson (sjanderson@naperville203.org). Course selections are a commitment for two years and schedule changes are not allowed.

Thank you for your support. To confirm your approval of your child's selection, please sign the form below and have your student return it to his/her math teacher by January 14th, 2019.

Student Name: _____

Student ID#: _____

For the 2019-2020 and 2020-2021 school years, please enroll my student in:

_____ **Applied Arts and Sciences rotation** (1 trimester per year each of Art, Family and Consumer Sciences, and Project Lead the Way)

Or

_____ **French** (3 trimesters per year)

Or
