

Hello Prairie Families,

On behalf of the Prairie Home & School Board, I'd like to extend a warm welcome to all our families as we kick off the 2021-22 School Year! Prairie is truly a wonderful community made up of dedicated families and an exemplary staff.

Currently, we are finalizing the Home & School volunteer opportunities for the upcoming year. We hope you will consider donating your time and talents to our school. Involvement in the Prairie community directly benefits our students while contributing to an overall positive elementary school experience.

In the meantime, here are some helpful resources:

- Home & School page on the District 203 website:
<https://www.naperville203.org/domain/1077>
- Week-at-a-Glance (WAAG)
 - Our Vice President compiles our weekly newsletter and it is sent out via a Talk203 email every Sunday at 3:00pm with the schedule for the week, upcoming events and other important information.
- Monthly Home & School meetings
 - Typically, these occur on the 2nd Tuesday of the month. Format (in-person or virtual) and time TBD.

Further communication regarding opportunities to volunteer is forthcoming.

Please do not hesitate to reach out to the Executive Board with questions, suggestions or concerns at any time!
