

Welcome to Ranch View! Every school year brings new and exciting learning opportunities for your children and this year is no different. As the new leadership of Ranch View, we are incredibly excited to be part of this amazing school community. Our focus will continue to be responding to each student by addressing the needs they have as unique learners in our school. Daily we strive to support each child to develop to his/her full potential through academic as well as social emotional goals. As always, the foundation of all we do is aimed at accomplishing the core of the District 203 mission statement; helping students to be **self-directed learners, collaborative workers, complex thinkers, quality producers, and community contributors.**

We also work to make learning engaging and exciting for your child. As we work to meet these challenges we strive to maintain a balance between the academic and the social emotional needs of our students to develop well rounded citizens for our community. We recognize that these goals are achievable only through a strong partnership with families. If at any time you have a concern, please don't hesitate to contact your child's classroom teacher or one of us so that we can address your concerns in a timely manner. We value your opinions and appreciate the support and interest that you have in Ranch View Elementary School.

We hope that this website contains information that is helpful to you. The Ranch View website is filled with important information regarding procedures specific to our building. The district website contains important information regarding district policies that apply to all District 203 schools. We encourage all families to explore the websites.

When you have a question, please refer to this website or simply please contact our school office at 420-6575, and we will be happy to help. We look forward to a great school year focused on building an even stronger school community because **WE ARE RANCH VIEW!**

Sincerely,

Erin Casey
Principal
