I give permission for my son or daughter to participate in Intramural Volleyball at WJHS. In signing this permission slip, I understand that in case of accident or loss, we will not hold the school or any of its employees liable for such damage or loss.

I understand that my child will not be able to access medications that are in the health office. District policy does not allow students to carry any medications during the school day. A student may self-carry an albuterol inhaler or an epinephrine auto-injector with the proper documentation on file in the health office. For other medications, please plan to have a responsible adult bring the medication to practice/sporting event. If you have any questions at all about medications needed for after or before school activities, please contact the coach/supervisor as soon as possible.
