Getting Started

"Claim codes" are used by a guardian to associate a student to their account. Guardians will need a code for each student they wish to claim.

Student Provides a Claim Code

From your Dashboard, click on the Gear Icon to access the Manage Account option.

Click on Your Guardians under Account Settings. Then click on View Guardian Instructions and Unique Claim Code. Your guardian can use this code to claim you as a student.

How do guardians use these claim codes to claim students?

Once the guardian has the claim code, there are two options for login:

Option 1: This is your first time on SchooLinks

OR

Option 2: You've already created an account and need to log in

Option 1: This is your first time on SchooLinks

Click on Create a Guardian Account box. From here, you can use Google or LinkedIn Single Sign-on, or create an account using a Phone or Email and Password.

If using an Email and Password, fill out the necessary information on this screen, then click Continue.
