

Battle of the Books 2024-2025

The structure of Battle this year is as follows:

For the first 6 meetings, students should come to the meeting with the book read. We will discuss the books and do activities. Meetings will be in room 203. On December 18th, we will take a test based on those six books (**and all authors**) to finalize our team of 4 (and 1 alternate) for the final battle. After the team only meeting on January 15th, all other meetings will consist of creating study guides, discussing books, quizzing each other on authors, etc. to get ready for the final battle. All students are welcome to attend all meetings leading up to the final battle in mid April (and are encouraged to attend the final battle to cheer our team on)! **** If you make the team, it is expected that you read your 10 assigned books****
