SCHOOL FAMILY COMMUNITY PARTNERSHIP

School Family Community Partnership (SFCP) is a District 203 initiative, present in all 21 schools, with a mission to enhance our children's learning and development by being a proactive resource in promoting, strengthening Schools (NNPS).

All parents/guardians are welcome and encouraged to join and attend our SFCP meetings. Look for the School Family Community Partnership SFCP Information sheet in the registration packet mailed in late July, and please consider joining us! Feel free to call or e-mail with questions or to find out how to become involved in any one of our committees.
