FAMILY CONNECTIONS

Members are donors. No volunteer hours needed. The benefit of the program lies in the value of your gift/donations.

Who We Are: Our mission is to meet the essential needs of the Naperville North High School community families facing hardship by providing temporary means of support. Our vision is that all of the NNHS community families have their essential needs met.

What We Do: With over 600 donor members, NNHS Family Connection is a collaborative group of NNHS families, staff, and community members dedicated to meeting the essential needs of the NNHS school community facing hardship. In the past we have supported Seniors cover Graduation expenses, provided family meals during the holidays and have paid for counselling for students who need it. Its success depends upon the loyalty and generosity of its donors, coupled with the knowledge and compassion of the NNHS staff, who through their expertise, identify the needs of the families and chart the best course of action. As a Family Connection donor member, you do not volunteer. The benefit of the program lies in the value of your gift or donation.

Who We Are: The NNHS Booster Club is the only school-affiliated group authorized to conduct fundraising within the general community, raising well over \$100,000 each year. Funds support NNHS athletic teams, activities, clubs and the whole student body – yes, all North students benefit from Booster Club investments!

What We Do: Our fundraising activities include our membership drive, golf outing, concessions, senior fashion show, spirit wear, yard signs and more. We promote school spirit and recognize students involved in athletics, activities and clubs.
