Questions?

Kelly Reif: Thank you for allowing me to serve as President. It's been a pleasure and honor to serve you all. I wish the best to the next exec board

CO: Thank you to the exec board and everyone that joins in and volunteers

Monica: Thank you so much to the board members. Today is the book fair for Spanish. What can we do in the future to avoid having 2 events at the same time in the future?

KR: Thank you for the reminder. It's a little tricky because that was coordinated with other buildings. Beebe can only be used on Thursday nights. It's something that can be kept in mind for next year.

CO: Yeah, we're limited to Thursdays and can cross-check with other calendars. District does give certain off-limits things that we can't overlap. We can try to look at District calendar going forward.

Monica: If there's something we can do different next year.

CO: Dates are being worked on for next year. Hopefully that will help.

Motion to end meeting: Monica Arredondo

Seconded: Meghan Conti

Opposed: No
