JUNIOR HIGH SUMMER SCHOOL 2021

Dear Parents and/or Guardians:

In an effort to provide additional opportunities for those students desiring an extension of the school year, we are offering a junior high summer school program again this year. All summer school classes will begin on Monday, June 21, 2021 and end on Friday, July 16th, 2021. There will be no classes on Monday, July 5th 2021 in observance of the holiday. Classes will be held in person, however students will need their Chromebooks to access learning materials.

Classes will meet at **Jefferson Junior High School, located at 1525 North Loomis Street, Naperville 60563**

An informational **Parent Orientation** night is tentatively scheduled for Wednesday, June 16 at JJHS. More information regarding this event will be communicated in May, 2021.

Families of students in elementary, junior high, and high school general education, EL, and ESY programs will continue to have the **option of in-person or online instruction**. Families will need to make their declaration as part of the registration process. Due to staffing and class size constraints, families selecting the online only option may not be able to switch to in-person instruction after the registration deadline.

District 203 Health and Safety Guidelines

Students will adhere to current health and safety guidelines and daily self-certification of symptoms while riding busses or when present on any District 203 property.

SUMMER SCHOOL TRANSPORTATION:

Transportation will be available for \$30 for the four week session for qualifying District 203 residents. Registration received prior to June 1, 2021 will be used to construct bus routes. **Bus routes are unique to summer enrollment and may not reflect the established routes of the regular school year.** Registrations that include transportation submitted after June 1, 2021 will not be considered in the development of bus routes; however students will be able to join an existing route once they are posted. If joining a bus route after June 1, it will take 3 days to add students to the bus route. If this happens after the start of summer classes, it will be the responsibility of the family to provide transportation until the bus roster is updated. This transportation is **ONLY** available for Summer School Session 1 arrival, which occurs between 7:30-8:30 a.m. depending on the summer school site, and at the end of Session 2, between 11:25 and 12:20 depending on the summer school site. Eligibility for transportation will follow the regular school year bussing policies found at: <http://www.naperville203.org/domain/874>. Students who are current walkers at Jefferson will not be eligible for transportation. ELL and ESY programs will continue to provide transportation at no cost.

ALTERNATE BUS STOP INFORMATION

Students who are regularly transported to or from a bus stop other than the one assigned for their home address must have a signed, current request on file at the District's transportation office. This form is required when a day care is used and the student must be picked up or dropped off at an alternate location. This form is required to be filed annually or whenever a change is made and must be filled out for summer school even if it was already filled out for the regular academic school year. Forms must be received by **June 1st, 2021** in order to be processed for the first day of school. Requests received after school has started may require up to 3 days processing time. Requests may not be honored if the requested bus is at capacity. Click here to download the Request to Transport Student to/from a Different Bus Stop: [Request to Transport Student to/from a Different Bus Stop.](#)
