K-4 ELEMENTARY SUMMER REMOTE LEARNING COURSE DESCRIPTIONS

KINDERGARTEN COURSES

All kindergarten courses are available to those students who have just completed kindergarten.

K- BRIGHT FUTURES LITERACY

This course has been designed for those students who received a majority of “Beginning or Approaching” on their Standards Based Report Card in Literacy. The curriculum for this course is aligned to District 203 LITERACY for Kindergarten. This course will provide your child with interactive experiences that focus on key Kindergarten content. Students will continue their learning through the use of direct instruction, technology, educational games, and flexible grouping. Focus areas of instruction will include foundational reading skills and strategies, studying the features of both fiction and nonfiction, as well as opportunities to read texts at their independent and instructional levels. Writing is a key component of this course. Using the workshop model, students will use letter/sound knowledge and conventions to author their own stories.

June 15 - July 10 (M-F) No remote learning on July 3

8:30-10:00 a.m. at Steeple Run 10:30-12:00 at River Woods

K- DIVING DEEPER MATH

This course has been designed for those students who received a majority of “Beginning or Approaching” on their Standards Based Report Card in Math. The curriculum for this course is aligned to District 203 MATH for Kindergarten. This course will provide your child with interactive experiences that focus on key Kindergarten content. Your child will continue his/her learning through the use of direct instruction, technology, educational games, and flexible grouping. Students will focus on building their number sense, adding and subtracting within 10, building fluency within 5, and identifying and sequencing numbers.

June 15 - July 10 (M-F) No remote learning on July 3

8:30-10:00 a.m. at River Woods 10:30-12:00 at Steeple Run
