GET INVOLVED

We hope you will join us to support the students and schools in our community. For more information about ways you can participate in the Naperville District 203 Home & School, please contact the H&S in your building, your principal, or the President of General Home & School

(More info under "Contact Us" section of brochure)

History

The Naperville District 203 General Home & School Association was formed during the Great Depression by parents who wished to keep resources within our community, rather than send dues to a national organization. An executive board was established to provide support and oversight to the individual Home & School divisions.

Donations

Home & School has provided millions in direct dollar donations and in-kind support over the years. We support a myriad of programs, services, and special purchases that tax dollars could not otherwise underwrite.

Tax Status

Home & School supports various programs and services through fundraising activities. Home & School is organized exclusively for the charitable and educational purposes with the meaning of section 501 (c) (3) of the Internal Revenue Code. All gifts to Home & School are tax deductible as allowed by law.
