Dear Parent/Guardian,

Naperville Community Unit School District 203 uses portions of the Google G Suite Education Core Services for students and staff to support student learning. Among G Suite products used for education are Gmail, Drive, Calendar, Docs, Sheets, Forms, Slides, Sites and in some areas, Hangouts. These products are hosted in a dedicated Google Educational domain (*naperville203.org*) from which Google does not collect, scan or copy data or any kind of personal student information for commercial purposes. There is no presence of advertising or targeted marketing to our students for products or services. (Note that the Google Chrome browser is not part of Google G Suite Education Core Services and parents/guardians are strongly encouraged to monitor usage and reinforce the principles Good Digital Citizenship). For more information on the privacy and protection of student data please see the *Naperville Community Unit School District 203 Commitment to Student Data Privacy* document in the DLI Forms section on the Naperville 203 website.

Naperville 203 actively monitors all student activity within our dedicated Google Education domain, and we ensure that our G Suite and Chrome browser usage complies with the Children's Internet Protection Act (CIPA), Children's Online Privacy and Protection Act (COPPA) and Family Educational Rights and Privacy Act (FERPA). All Internet access filtering is compliant with these federal regulations.
