

Meadow Glens Newsletter
News from Katy Lynch, Principal
February 4, 2019

Dear Meadow Glens' families,

Arrival and dismissal are very busy times for every member of Meadow Glens School. Increased traffic volume and colder weather conditions can cause a great deal of congestion in the drop-off and pick-up traffic circles. On page 7 of the Parent/Student Handbook (pink section) there is a diagram of the traffic flow for both Lot A and Lot B and procedures during drop-off and pick-up times. The third bullet at the bottom of the page says, "vehicles will not be allowed to turn left from Muirhead into Lot A during drop-off/pick-up times". The arrival and dismissal traffic patterns and procedures were reviewed by the City of Naperville, Naperville 203 Building and Grounds, and parents of students attending Meadow Glens just a few years ago. The safety of our students is of the utmost importance and we need your support to ensure a safe and efficient arrival and dismissal of students.

Other arrival and dismissal reminders:

- Please remember to display your last name during dismissal by using the rear view mirror tags sent home at the beginning of the school year
- Discuss safe walking/biking routes with your child
- Please do not drop off your child before 8:00AM when supervision begins. The Champions program does have openings in the morning if you need supervision for your child before 8:00AM.
- Only students in 3rd grade and up can ride their bikes, scooters, etc. to school without a parent or guardian
- Observe the drop-off/pick-up directions when you drive to school and obey all traffic signs

Katy Lynch

Don't Miss the Opportunity to Support the Students at Meadow Glens and Enjoy a Night Out with Your Friends and Neighbors at the Adult Social and Auction this Friday at 6:30pm Held at Seven Bridges Golf Club!!

Open House Rescheduled

Meadow Glens will reschedule Open House on February 25th 6:30pm-7:30pm. The rescheduling was coordinated by the district office to eliminate as many conflicts as possible. My hope is that this information is coming to Meadow Glens' families with enough time so that you can attend. I look forward to seeing all of our families during this evening of student celebration!

Parent/Teacher Conferences

Recently, you received a Talk 203 message from the District about scheduling your parent/teacher conferences. Research and experience tell us that a strong partnership between home and school is important to student success. Parent-Teacher Conferences are a great way to strengthen this partnership. We look forward to this opportunity to sit down and talk with you about your student.

We strive to meet with all families in person during Parent-Teacher Conferences. However, at times family travel or work arrangements hinder such face-to-face conversations. As a school, we honor the time the district has set aside for conferences and look forward to meeting and/or speaking with you during the scheduled conference window. If you are unavailable to meet in person during the scheduled conference days of February 14th and 15th, please schedule a phone conference during these two days using the PTC Wizard website. Your flexibility is appreciated in arranging a conference during the district planned times. To plan for next year, Parent-Teacher Conferences will once again be held during the first week of October and the second full week of February.
