

## Cold Weather Recess

Students will go outdoors for recess unless the temperature is below zero degrees including the wind chill factor. Be sure to send your student to school equipped with their cold weather gear (**labeled with their first and last name**).

Students must wear snow pants and boots in order to play in the snow. We need to ensure students are warm and dry when they head back indoors. Insulated blue jeans/sweat pants are not a substitute for snow pants.

We do not have extra jackets, snow pants, hats, and gloves to lend out and are unable to accommodate students who request these.
