

ARE YOU MOVING?

Dear Parent(s),

As we begin the process of enrolling students for the 2018-19 School Year, it is important that we are aware of any families who are planning to move out of our attendance area. This information is critical so that we may establish and verify our grade level teacher staffing as well as accomplish our classroom grouping process.

This request for information need only be completed if your child(dren) **WILL NOT** be attending Mill Street School for the 2018-19 School Year. Please assist us by completing the form below and returning it to the school office by **April 20, 2018**.

If you are moving out of the Mill Street area, this information will also assist us in preparing your child's academic and health records that we will send to your child's new school. Upon this notification of your intent to move, we will send you a Records Transfer form.

Thank you for your timely assistance!
