

July, 2021

Dear Naper Parent/Guardian,

Welcome to the 2021 - 2022 school year. I am looking forward to the new school year and helping create an exciting and successful school year for you and your children.

In this letter you will find information helpful to have your child ready for the new school year. The 2021-2022 Summer Update Information can be found on [our website](#) by hovering your cursor over the "Our School" tab in the upper left hand corner and then clicking on the "2021-22 Summer Update" tab in the drop down menu. You can also click on the website's Summer Update banner.

If you ordered a supply packet last spring, it will be on your child's desk on the first day of school. Classroom and teacher assignments for kindergarten through four grade will be posted through Infinite Campus on Thursday, August 12 at 3:00 p.m. Parents will access their child's classroom assignment via the Infinite Campus Parent Portal. Visit the District 203 website (<http://www.Naperville203.org>) and click on the Campus Portal link on the left side. Follow the prompts to create your parent account. If you have difficulty with your account, contact the help desk by email at [parentsupport@naperville203.org](mailto:parentsupport@naperville203.org).

We conducted registration for this current school year in April. Please make sure you have returned registration materials. A student's name cannot appear on the class list until the fee sheet and the updated contact sheet with your signature are returned. Please remember to contact the school office with any changes to the emergency card you completed last spring.

All bus riders will be met by staff members at the start of the school year to guide children to their grade level classrooms. While transportation information can be accessed in the Campus Portal (<http://www.Naperville203.org>) starting on August 9 at 3:00 p.m., please check back frequently, including the day before school starts, as changes can occur in routes and pick-up times. If you need assistance regarding transportation information, call the Transportation Department at 630-420-6464.
