

HOME & SCHOOL

Naper Elementary School

Dear Naper Elementary School Families,

On behalf of the Naper Elementary Home and School Board, we hope you are enjoying your summer break! We are so proud of our students, families, and Naper staff as they worked together to navigate the challenges of the previous year. We look forward to the upcoming school year, and hope to be able to bring back as many of our usual Home and School activities and events as possible.

Naper Home & School (H & S) is an active volunteer group made up of Naper School parents and guardians who work in conjunction with our Naper School Teachers and Administration to make our kids experience as educational and enjoyable as possible. Our Home & School typically runs several programs and key fundraisers throughout the school year. For example, we are planning on bringing back our bi-annual **Naper Home & School Auction** this year, traditionally one of our most well-attended and fun nights of the year! During this event, we raise funds to support the enrichments of our students' education. More information will be available, including opportunities to volunteer, in the coming weeks. ***As of now, we have slated the evening of November 12th, 2021 for the Auction. You will also be receiving a dedicated email where you can sign up for other H & S volunteer opportunities in August.***

As always, we appreciate all of your time, dedication, and support of Naper H&S. If you have any questions about volunteer opportunities and/or events for the upcoming school year, please do not hesitate to contact me:

Sincerely,

Zareen Hassan

Naper Home & School President
