

Dear Parents and Guardians,

Welcome to Scott Elementary School!

Home & School is a parent led volunteer organization that strives to create a collaborative environment between students, staff, and families. Our goal is to support all of our Scott School Community through frequent communication, volunteer opportunities, and fundraising resources.

Unlike a traditional PTA, with membership fees, our Home and School is open to all Scott School families at no charge. We rely on parent volunteers and are so grateful for our community contributors! Volunteering opportunities are available at a variety of commitment levels to accommodate varied schedules and availability. We hold monthly meetings in the evening and welcome you to join us at any point. Our meetings are open to all Scott families, you do not have to be a volunteer to attend. For families that are interested in getting involved, but are not sure how, our meetings are a great stepping stone to see where your interests and talents can be utilized.

Although this past year looked a little different for us, we were committed to making our students, staff and families know that even though we couldn't be together physically, we are still a school community and we are there for each other. Virtually, we were able to host classroom holiday parties, a magic and comedy family assembly, book fairs, and staff appreciation events just to name a few.

We are excited for this next school year and hope that you consider joining us at a meeting. We would be happy to answer any questions about Scott Home and School or help you find a volunteer opportunity that fit your needs.

Barbara Thomas & Katie Mack
