

## A. GEORGE AND PATRICIA PRADEL SAFETY TOWN

# 2021 SAFETY TOWN SUMMER PROGRAM

Safety Town Summer Program is a week-long, 2-hour a day program targeted for children entering kindergarten, 1st grade, or 2nd grade. Throughout the week stories, games, songs, and videos reinforce the skills being taught. Using a hands-on engaging approach, children absorb important information and have fun at the same time. The Naperville Police and Fire Departments, Naperville Electric, Animal Control, Bear Paddle, and other community groups help teach safety awareness and prevention.

The nationwide Safety Town program was brought to Naperville in 1978, and in June of 1996 the Naperville Safety Campus opened at 1320 Aurora Avenue in Naperville. Our program started out small, but has become mighty - we serve over 1,200 students in our summer program each year! Safety topics covered during the week include:

- Bike Safety
- Fire Safety
- Proper Use of Helmets
- Water Safety
- Bus Safety
- Pedestrian Safety
- Electrical Safety
- Train Safety
- Poison Awareness
- Animal Safety
- Personal Safety
- 9-1-1 Emergency Calling

**With the ever changing CDC guidelines and state health and safety guidelines, we are hoping to announce dates and times for Safety Town Summer Program 2021 in late spring.**

**Please visit our website frequently in late spring for more information about registration dates and times as they become available.**
