

Starting kindergarten is a big milestone for your child—and you! And with it comes so many new things: school, friends, routines, schedules, and learning, to name a few.

What is Champions?

Champions is a before- and after-school program that can help your child with this new transition (and more)! The schedule is flexible. Choose the care you need, when you need it. In our program, your child picks up right where they left off in class—and we offer our programs on-site, so your workday is uninterrupted when the bell rings.

Why join now?

Just like you, we want your child to feel good about themselves in this exciting new time of growth and learning! Here, kids get to spend quality time being curious and experience the rewards of teamwork. They get to explore their interests and discover new things too. Our caring teachers are here to guide them (and cheer them on) every step of the way!

Kindergarten is the perfect time to join Champions because your child will:

- Be safe and sound with our industry-leading health and safety practices
- Laugh and play with friends, plus work on skills to make new ones
- Strengthen STEM learning skills that kids need to succeed in the classroom and their community
- Explore independent curiosities and collaborate on group projects
- Move their body indoors and outdoors with group games and free play time
- Get homework help so they can focus on family (or have downtime) when they get home

Space is limited, so contact us today at 800-246-2154 to schedule a visit or discuss tuition options.
