
Steeple Is Thankful!

It's good to be a Super Star!

The month of November gives us the opportunity to reflect and give thanks for all we have as a school community. In the picture above our students participated in a ribbon cutting ceremony for our new Little Library. This Little Library is emblematic of our building's and district's greater commitment to literacy. We recognize that for students it is often a small contribution or opportunity that can have a lasting impact. One of the many lessons our students teach us on a daily basis is that immeasurable possibility comes in small packages. The hope we have for this Little Library is that it might inspire the love of reading in a generation of our students.

We are thankful for Dr. Paula Helberg who has served the Steeple Community for over 20 years and organized the grant that made our Little Library possible. As a reading specialist, Paula has had the opportunity to impact countless students directly and indirectly. Paula's impact is evidenced through this Little Library and through the passion and professionalism she demonstrates each day.

On Friday, November 10th we will come together as a school community to honor those who have served in our Armed Forces. During this time we will welcome many of the family members who served in the Armed Forces and through a small ceremony honor their service. Later this month, November 22nd-24th, we will break for our Thanksgiving holiday. On behalf of Steeple Run we wish you and your family a month full of thanksgiving!

A LOOK BACK
OCTOBER'S EVENTS

Steeple Run Volunteers

The strength of our Steeple community was again on display as we came together to support our Fall Parties and Parade. On this special day students were able to dress up and embrace their creativity through games and in many cases their own costumes. In order to make our Fall Parties possible Home & School organized over 140 volunteers who provided students with fun and engaging activities throughout the afternoon. A parade through the hundreds of families that lined the blacktop outside was a fitting end to a great month at Steeple Run. Thank you for providing our students a truly special experience as they walked through cheering crowds of our Steeple Community.

Little Free Library

As you may have suspected after reading about our Little Library ribbon cutting the Little Library is a bit hit! When you are cleaning off your bookcases at home, please consider a donation of gently-used books to our Little Free Library. Send all donations to school to the attention of Mrs. Helberg. For those of you who have already sent a donation of books, thanks so much!
