Click the timeslot that you would like to book. If you have more than one student with that teacher, choose which student you would like the appointment to be for with that teacher. Your appointment is immediately booked at that time.

The screenshot shows the PTC Wizard interface. At the top, there is a navigation bar with the PTC Wizard logo and the text "My Meetings > Spring Conferences". Below this, there is a header area with a "TEACHERS" button on the left and two date boxes: "Tue 24 Jan" and "Wed 25 Jan". The main area displays a list of teachers. The first teacher listed is Keith Carlson, with a dropdown menu showing two students: Elizabeth and Katherine. Below the teacher list is a grid of timeslots from 8:00 AM to 9:00 AM. A red arrow points to the 8:00 AM slot, which is highlighted in green. A modal dialog box is open in the center of the screen, titled "For which student?". It has two buttons: "Elizabeth" and "Katherine", both highlighted in green. There is also a "Cancel" button at the bottom of the dialog.

This screen will show your name, username, email address, and students. Not your password will not be seen here nor can it be changed in PTC Wizard. To change your password you will need to log into your Campus Portal account.

The screenshot shows a form titled "Account Settings" with a close button in the top right corner. The form is divided into several sections:

- First Name:** A text input field containing "J".
- Last Name:** A text input field containing "W".
- Email:** A text input field containing "J@.com".
- External ID:** A text input field containing "17".
- Username:** A text input field containing "jj".
- Password:** A text input field containing "Password".
- Students:** A table listing two students: Elizabeth and Katherine. Each student name is followed by a blue double-headed arrow icon and a grey rectangular button.

A green "Close" button is located at the bottom right of the form.

When you are finished you can log out of the application by clicking the down arrow next to your name and selecting Log Out
