Dear Parents & Guardians,

Welcome to Meadow Glens Elementary School. What an exciting time for you and your child as you anticipate starting kindergarten! On behalf of our parent volunteer organization, Meadow Glens Home & School, I welcome you and am thrilled to have you join our family here at Meadow Glens.

The mission of Meadow Glens Home & School is to support and supplement the children of Meadow Glens and their education. The Meadow Glens Home & School organization is our school's liaison for communication, events, fundraising and is an association that truly strives to build a strong environment between the students, staff, and parents. Meadow Glens Home & School offers parents the opportunity to generously give their time and talents to help support Meadow Glens students and staff in reaching success. Our school is very fortunate to have such a giving community. The students and staff appreciate your time so much and recognize the difference it makes.

Meadow Glens Home & School has many ways to get involved throughout the upcoming school year. Every parent or guardian is welcome--there is something for everyone! At the beginning of, and throughout, the school year Newsletters will be sent out with sign up information for our programs and events. We hope that you will sign up for as many activities as you are able! All parents & guardians are valued members of this association and are encouraged to attend our meetings. Meadow Glens Home & School meets on the second Tuesday of every month at Meadow Glens. We invite you to attend the meetings to hear what's going on in school, in District 203, and to learn more about Home & School activities.

It's going to be a great year, and I am looking forward to working with everyone and especially getting to know our new families. Thanks again for your support to Meadow Glens Home & School and if you have any questions, please feel free to contact me.

Sincerely,  
Kathleen Lohse
