

December 2023

Dear Parents,

While it may seem early, we need to begin planning for the 2024-2025 school year. In particular, we need to know how many Kindergarten-age children plan to come to school next fall. The number of students registered for Kindergarten determines the number of teachers needed for next school year.

Please assist us by completing the form below and returning it to Meadow Glens as soon as possible. Even if you do not have a prospective Kindergartner, you could do us a great service by passing this letter to a neighbor with no children presently at Meadow Glens, but who may have a Kindergarten-age child (5 years old by September 1, 2024).

This information will be used to determine our mailings for Kindergarten Preview.

Thank you very much for your assistance!

Sincerely,

Katy Lynch, Principal
