H&S Executive Board Treasurer's Report by Erin Wikman

Capital Projects Update - The capital projects check was \$9,684.08. This is money that we give back to the school at the end of the year based on excess earnings made during the year. This goes toward items decided upon by the principal and Home & School Executive Board. These are usually the big ticket items. The capital projects check delivered to the school this summer will predominantly go toward purchasing additional books for the teachers' classroom libraries.

Mini grants disbursement- The mini grants check was \$2,287. Mini grants cover special programs, activities, or classroom/grade level needs that involve working directly with students. Staff are able to apply for these in the spring and then The Home & School Executive Board and Principal review the proposals and consider them based on funds available and the number of students involved and the overall benefit of the program relative to its cost.
