

Home & SCHOOL

Mill Street Elementary School

Dear Mill Street Families,

On behalf of Mill Street Home & School, we would like to welcome you to the 2023/24 school year!

As a parent or guardian of Mill Street students, you are automatically members of the Home and School Association. Home and School (H&S) is our school's version of a PTO or PTA, except there are no dues. It is just an open invitation to get involved in whatever manner you can! We host events for Mill Street families, raise money for our school, sponsor extracurricular activities for our students and support our teachers, students and families. We hold general Home & School meetings during the day and in the evenings, so that all parents have the opportunity to attend.

Our H&S has a variety of parent committees which support all of our activities. We hope you'll become as involved as your schedule and energy will allow: there is something for everyone. We have opportunities to volunteer at school during the day or evenings. We also have some committees whose members do most of their work at home, if that is more convenient for them. There are committees that are busy throughout the year and others that are active only for short periods of time. Whatever your schedule, there's a H&S program that fits!

Be on the lookout for our weekly newsletter, the Mustang Minute which comes out Monday mornings and has all of the information and updates you will need throughout the school year. You can also follow us on [Facebook](#) and [Instagram](#), as well as Mrs. Salness on the [Mill Street Principal Communication](#) Facebook page.

We hope to see you at our new parent coffee, our first General Home & School Meeting and our annual Ice Cream Social/Meet and Greet on Tuesday, August 15th.

Should you have any questions, please do not hesitate to email us at millstreeths@gmail.com.
