

Maplebrook Elementary School

August 2020

**Welcome, Wildcat Families!**

We are excited to have you as a part of the Maplebrook Community! Whether you are new to the school or returning, I hope you will find the school community to be welcoming, enthusiastic, and supportive. I have the honor of serving as President of the Maplebrook Home & School Association.

**What is the Home & School Association?**

The Home & School Association, also referred to as Home & School or H&S, is a group of parents and staff members dedicated to enhancing the student experience. H&S provides financial support for assemblies, field trips, and special learning units, as well as programming and communication to strengthen our school community. Funds raised by Home & School go right back to our school community to support our students and staff. There is no enrollment or membership fee; all Maplebrook parents/guardians are members. Attending a monthly general meeting is a great way to get connected and learn more about what is going on. For now, all meetings will be conducted virtually; links will be shared prior to each meeting. **Mark your calendar for our first meeting: Wednesday, September 23 at 7pm.**

Although we will need to modify or postpone many of our programs, H&S is committed to connecting our community and supporting our families and staff. This will require creativity and new ideas, and we would love to have you be a part of the process. As local and school district guidelines permit, committee chairpersons will reach out to volunteers to plan and facilitate programs. Our volunteer sign-up for 2020-2021 can be found using the included QR code or link: <https://www.signupgenius.com/go/409054facab2ea5fc1-maplebrook3>

Stay updated with H&S by reading the Wiley WAG email each week and following **@MaplebrookHSA** on Facebook. Please reach out anytime with questions, feedback, and new ideas. Thank you in advance for being a part of our Maplebrook Home & School community!

Sincerely,

Amanda Zigterman
