Maplebrook Elementary School

March 2024

Hello Wildcat Families!

If you are brand new to **Maplebrook Elementary School**: Welcome! What an exciting time in the life of your new student and family! Please allow me to introduce the Maplebrook Home & School Association (H&S): a group of parents passionate about supporting our children's education through volunteering, fundraising, and community building. The funds we raise provide field trips, assemblies, class holiday parties, year-end activities, birthday books, classroom enhancements, and so much more!

There is no way we could do so many great things without many parents and guardians taking an active role in H&S. The Executive Board works closely with Maplebrook School administration to provide opportunities for our parents/guardians to volunteer inside the school. Volunteering provides our families to meet the staff and other parents/guardians. Whether you have thirty minutes or a few hours to work on H&S projects and events, we welcome you to join us! Please know that your ideas, time, talents, and voice are needed and welcomed at Maplebrook's H&S!

There are many ways to get involved, so please check out our **2024-2025 Volunteer Information** flier. You can sign up to join your favorite committee(s) on or around **May 1st** via a Sign-Up Genius link found on Maplebrook's H&S Facebook page. Committee chairpersons will contact volunteers as they begin planning their event/program.

In the meantime, here are some great ways to stay connected:

1. Check out our official website: MaplebrookHSA.com
2. Follow **@MaplebrookHSA** on Facebook & Instagram
3. Make plans to attend our monthly **H&S General Meetings**. All parents are welcomed and encouraged to attend. Upcoming dates/times can be found on our website www.maplebrookhsa.com

Please don't hesitate to contact me at **maplebrookHandS@gmail.com** with any questions. I look forward to meeting you around the neighborhood or at Maplebrook in the Fall!
