The grade specific supply lists include items required by all teams in each grade. There might be team specific items that you will need to purchase once school begins. If your student is enrolled in FACS, Art or World Languages, their teachers will send home a list of any additional supplies when the class begins. Also, if any supplies are depleted during the year, you will need to replenish them. If you are purchasing a pack online, science goggles are already included in the 6th grade pack, so there is no need to purchase an additional pair.
