# Lincoln Junior High Student Handbook

Welcome to Lincoln Junior High School! This handbook has been designed to provide you with helpful information for your reference. Students will be expected to follow all rules adopted by the Naperville Community School District 203 Board of Education. The following procedures have been established to maintain a safe and orderly environment during the school day. All members of the Lincoln Community strive to treat each other with respect at all times. If you have questions about school that are not answered here, please ask your teacher, counselor or principal. Any staff member will be glad to help you.

## SCHOOL PROCEDURES

1. Non-bus riders should plan to arrive no earlier than 7:30 AM. Students arriving before this time will need a pass to enter the building. Students are not permitted to leave school grounds once they arrive. Students are to leave the building by 3:05 PM unless they are under the direct supervision of a teacher or attending a school-functioned event.
2. Students must have a pass to use the free office phone during the school day (excluding before school and after school). The phone is located in the main office, on the counter. Cell phone usage is not permitted during the school day (8 AM - 2:50 PM). Cell phones must be turned off and placed in the locker.
3. Students must keep hands and feet to self. Physical contact with one another is not permitted.
4. Eating and drinking is not permitted in the halls.
5. Outside food brought in by a parent/guardian may only be provided for their student. This includes treats brought in to celebrate a birthday or other special occasion.
6. Headphones may be worn before or after school, leaving one ear unoccupied.
7. Backpacks are not to be carried around during school hours and should be stored in lockers, unless approved by the front office.
8. Registered bus riders must have parental permission to ride home on another bus. A note from the student's parent and student IDs must be presented to the front office BEFORE school to ensure that permission can be validated. Students who are not registered bus riders are not permitted to ride the bus.
9. Students may not sell items at school unless they are from an approved school fundraising activity.
10. For safety reasons, shoes with wheels, skateboards, in-line skates, hover boards, or scooters are not to be ridden or brought onto school property. Bicycles may not be ridden on school property and should be locked at the bike rack.
11. Students must receive staff permission before videotaping or taking pictures while on school grounds.
12. Public displays of affection (hugging, kissing, holding hands, etc.) are not permitted.
13. Students will follow the security procedures Lincoln has in place to keep the building safe.
14. Aerosol and pump sprays including perfumes, deodorant, and hairspray are not permitted on school property.
15. All locker decorations are to be outside of the locker. Decorating must be done BEFORE school. Latex balloons are not permitted in school. Locker combinations/locations are private and will not be given out by the office.
16. Personal electronic devices may not be used during school hours. These items must be turned by 8:00 AM and placed in the student's locker until 2:50 PM. Personal electronic devices that are used may be confiscated and returned at the discretion of the school.

**The information contained in these pages may be summaries of school board policy. Reference to School Board Policy. These statements may be amended during the school year without notice. More detailed information can be found on the district webpage (<https://www.naperville203.org/domain/951>).**

## **ACADEMIC INTEGRITY**

Lincoln Junior High School students are expected to use genuine, sincere and fair means for the accomplishments of the tests, tasks, or projects from which evaluations of progress shall be determined. In order to maintain an atmosphere which actively fosters academic honesty, the following procedures will be implemented. It is understood that the maintenance of such an atmosphere requires the active support of parents, students, and staff and that it is therefore, the responsibility of each individual to promote academic honesty.

Plagiarism: Lincoln Junior High uses the same criteria for plagiarism as the high schools. "Plagiarism is the act of using another person's ideas or expressions in your writing without acknowledging the source. In other words, to plagiarize is to give the impression that you have written or thought of something that you have in fact borrowed from someone else. Plagiarism is essentially theft - the stealing of someone else's intellectual property." [*A+ Style Manual*, pg. 2) Consequently, when evidence of plagiarism exists, the student will receive progressive disciplinary actions.

Other examples of academic dishonesty:

- Giving test questions or answers to a member of a later class or receiving test questions or answers from a member of an earlier class.
- Copying from another student's test or knowingly permitting another student to copy during a test.
- Using materials which are not permitted.
- Copying or having someone other than the student prepare the student's homework, paper, project, laboratory report, or take-home tests for which credit is given.
- Permitting another student to copy or write another student's homework, project, report, or paper, etc.
- Any other action intended to obtain credit for work not one's own.
- Students who violate the expectations regarding academic dishonesty will receive class level consequences on the first offense. In addition, contact will be made with parents/guardians to communicate concerns and an office referral will be submitted for documentation.

## **ACADEMIC SUPPORT**

These programs have been developed to serve students who need support as they learn skills that enable them to: independently manage academics, take control of their own learning in a systematic and constructive approach, and develop positive relationships. Parents are provided information to assist students with academic success on an ongoing basis. The Lincoln staff is committed to meeting the individual learning needs of each student. Students are referred by their teams and counselors for extra academic support and parent permission is required. These include but are not limited to: Homework Club/Study Skills Academy. This program runs from 3:00-4:00 PM and there is an after school bus provided to the students who attend these programs. Parent permission is required for students to attend.

## **AFTER SCHOOL ACTIVITIES**

Students should leave the school grounds following the completion of the school day unless under the direct supervision of a teacher. Students attending after-school events must take their books, coats, etc. with them because they will not be able to return to their lockers. Spectators staying for games must leave school property while they are waiting for the competitions to begin. They may enter the gym and stay for the duration of the competition. Once students leave the building they will not be readmitted unless accompanied by an adult.

## **ATHLETICS**

### **INTERSCHOLASTIC SPORTS**

Interscholastic sports are offered to all 7th and 8th grade students at Lincoln. Students are required to have a physical examination on file at school before they can try-out for or participate in a sport. Interscholastic sports include Girls' Volleyball, Cross Country, Football, Girls' Basketball, Wrestling, Boys' Basketball, Track & Field, and Cheerleading.

### **DISTRICT 203 EXPECTATIONS FOR ATHLETIC EVENTS**

1. Cheer and encourage teams in a positive manner.
2. Utilize garbage cans to dispose of any food, drink or paper containers, etc.
3. Remain seated in bleachers until half-time or an official break in the game.
4. Remain in the building once an activity begins. (Stay in athletic area)
5. Utilize areas out-of-bounds to enter and exit the bleachers and gymnasium.
6. Respect other fans supporting their teams.

### **INTRAMURAL ACTIVITIES**

A variety of intramural activities are offered to all students throughout the year. These activities are designed for students to learn new skills, meet new friends and have fun. Students should listen to the announcements of meeting dates and times of after school activities such as the newspaper, yearbook, clubs, athletic activities, etc.

### **CO-CURRICULAR CODE OF CONDUCT**

A co-curricular code of conduct has been developed for all Lincoln activities. Coaches and advisors will inform participants of its contents.

## **ATTENDANCE**

All students are required by law to attend school every day school is in session. If a student is to be absent from school, the parent or guardian must call the school's absence line (630-420-3881) or submit attendance online before 7:45 AM. Recorded messages can be left anytime. The message should include the student's first and last name (spell the student's last name), grade, and reason for absence.

#### **Acceptable reasons for absence are as follows:**

1. **Student illness**
2. **Death in the family**
3. **Medical or dental appointments that cannot be scheduled at other times**
4. **Religious observances**
5. **Mental Health Days**

A student who has been called in absent can return for the remainder of the school day only after first reporting to the main office. A student who becomes ill during the day is to report to the health office and the parent is contacted if the student has to be sent home. A student who must leave school for a medical or dental appointment should bring a note from the parent to the office before 8:00 AM and receive an early dismissal pass.

Absence Reporting: The state guidelines are as follows: 0-50 minutes (tardy), 51-149 minutes (1/2 day), 150+ minutes (full day). For example, following a regular daily bell schedule a student arriving to school at the start of 2nd period will be counted absent for 1/2 day. This includes orthodontist, doctor and dental appointments. Students entering as a late arrival without a note from the doctor will be considered tardy. After three consecutive missed days, (or 5% of the required days of attendance) students that continue to miss all or part of a school day due to illness will be required to submit a doctor's note. Parents will be contacted via a formal letter, conference, and/or phone call when student absence becomes a concern.

A student absent due to an infectious disease, surgery, rash or other illness requiring physician's care must bring a physician's health certificate to the health office before returning to school.

### Absence and Late Arrival

During the school year, the following procedure for reporting absences and late arrivals will be used. If your child will be absent or late, you are to call and notify the school before 7:45 AM. To report an absence, call **630-420-3881, press 1**. The Attendance Line is open 24 hours a day. Parents should be prepared to give the following information: **Name**, spelling the last name, **Grade, and Reason for the absence**.

**Note:** *Homework should not be requested on the Attendance Line. Email the teacher for this request. See section on Make-Up Work.*

The school must be informed anytime the student will not be in school. Parents are notified if their students are not in school and are not called in on the attendance line.

Students missing three academic classes are marked as a full day absence. (Lunch and supervised study are not classified as academic instruction.) Any student arriving to class during the first five minutes is considered tardy to class and not tardy to school. These are handled by the teacher (see Tardies). **After three consecutive missed days, (or 5% of the required days of attendance) students that continue to miss all or part of a school day due to illness will be required to submit a doctor's note with a diagnosis in order to excuse the absence.** Letters will be mailed home when students reach the 5% levels. (Checked monthly)

### Early Dismissal

Students are not permitted to leave school grounds during the day without permission from the office. Any student who needs to leave the building during the school day must present a note, signed by a parent, to the office before 8:00 AM. The note should state the student name & grade, why the student must leave the building (i.e., dental appointment, doctor appointment, etc.), the time leaving the building. All students leaving school will be given an early dismissal pass. Before leaving the building, the student should present his/her pass to the teacher and the parent should sign him/her out. Students returning from an early dismissal must be signed in by their parent or present a doctor's signed admittance card. Students missing academic classes will be marked absent (excused).

### Take Your Child to Work Day

District 203 agrees with the concept of Take Your Child to Work Day on a non-school day. This is based on the underlying belief that school attendance is important, and activities that pull students away from school are discouraged. In the event that Take Your Child to Work Day is on a school attendance day, the student's absence will be coded as *PARU - Parent Request Unexcused* absence.

### Tardy Policy

All students arriving late to school (up to 8:45 AM) will be marked as TARDY. Between 8:00 AM and 8:05 AM students should not report to the office but go directly to class. This tardy is **not** considered late to school, but late to first hour. Teacher consequences are then applied to this tardy. After 8:05 AM, all students must check into the office for an admit pass to class. Oversleeping is not an excused tardy.

Students with a credible doctor's admit slip may sign themselves back into school. If a doctor's note is not presented when the student arrives, the student must be signed in by a parent or guardian. A student signing in without a parent's or doctor's note will be considered unexcused.

Tardy/late arrival due to illness (signed in by parent) may be accepted five times a trimester before a doctor's note is required. After that they will be handled as unexcused tardies. Students will receive the following discipline consequences during one trimester:

3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> unexcused tardy - lunch detentions

6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup> unexcused tardy – AM/PM detentions (one hour)

9<sup>th</sup> and up unexcused tardy - Saturday School detentions (two to four hours)

### Truancy

A "truant" is a child subject to compulsory school attendance who is absent without valid cause from such attendance for a school day or portion thereof. The school will make every effort to work with the family to improve current attendance. This may include working with the SRO and or the Regional Superintendent Truancy Officer.

## **BULLYING**

Bullying (including cyber bullying), intimidation, and harassment are not tolerated at Lincoln Junior High. We want students to feel safe while they are at school. According to [stopbullying.gov](http://stopbullying.gov), bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. In order to be considered bullying, the behavior must be aggressive and include:

- An Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.

If students feel they are being bullied or witness bullying of a peer they should take the following steps:

- Tell an adult in the building where it has happened (teacher, lunchroom supervisor, bus supervisor, bus driver, etc.)
- Tell your parents/guardians.
- Tell your counselor. Your counselor will provide you with practical tips on what to do if the bullying continues. They will refer you to the office if further disciplinary actions are warranted.

Do not let the bullying go on for weeks. The faster you tell someone, the faster the issue can be resolved.

See Full District Policy 7.180 on Bullying at the end of this section.

## **BUS RIDERS**

According to state law, students who live one and one-half (1.5) miles or farther from school by the most direct route are eligible to ride the school bus. Students may ride only that bus which stops nearest their home. If students currently ride the bus, they may ride another student's bus or have a student ride theirs (if they are both bus riders) once they obtain an approved pass from the main office. To obtain this pass, they need to present their student IDs as well as parent permission notes from each student.

Students are required to obey the driver at all times. The privilege of riding the bus is dependent upon good behavior and observance of the rules and regulations. Bus riders are subject to all school rules. The purpose of these rules is to provide for safety and an enjoyable bus ride for all. Bus drivers are required to report any student who violates these rules and regulations to the Safety Director. Privileges to ride may be suspended. The student's privileges must be reinstated by the proper authority before the student may resume riding the bus. Any student who repeatedly violates the rules or commits a serious offense may have their bus riding privileges suspended for the entire

school year. (This includes the privilege of going home with a friend or taking another bus rider home with them). Students who are suspended from riding the bus must be present in school on the suspension days.

All buses are under the supervision of the Director of Transportation for the district. If you have any problems, notify the transportation office at (630)-420-6464. Any bus discipline problems should be reported to the assistant principal.

Naperville Community Unit District #203 provides bus transportation to eligible students to and from school each day. Additionally, students who participate in school-sponsored events (athletics, activities, specific after-school programs) also access transportation services.

Because the safety of our students and staff is always the top priority, the following guidelines have been established for NCUSD #203 bus riders. Parents are asked to help enforce these guidelines:

Students will:

1. Be on time for pick up. Failure to do so causes late pick up at future stops.
2. Remain seated until exiting the bus;
3. Keep hands, feet, and head inside the bus – at all times;
4. Abstain from shouting or using profanity;
5. Participate in keeping bus clean by disposing of all trash properly;
6. Report behavior that is unsafe, offensive, or otherwise inappropriate to the bus driver and/or school administration;
7. Respect others and cooperate with the driver at all times;
8. Understand that all school rules are fully in effect at bus stops, on the bus, and in school loading zones;
9. Avoid tampering with bus equipment or others' property;
10. Provide school identification card when requested (grades 6-12);
11. Follow the eating/drinking policies established by the driver;
12. Refrain from being in the bus loading zones (at school or in the community) unless riding the bus.

Parents are asked to:

1. Assist in getting students to bus stops on time.
2. Communicate concerns to the Transportation Office – not the driver. The Office number is 630-420-6464.
3. Discuss the above guidelines with student(s) and support drivers and other District staff when needed.
4. Understand that all school rules are fully in effect at bus stops, on the bus, and in school loading zones.
5. Follow all laws when driving vehicles near buses, at bus stops, and in school loading zones.

These rules have been established to ensure the safe transport of students and staff. Buses are equipped with electronic recording devices that have audio and visual capabilities. These tapes are reviewed routinely. In the event misconduct is reported, they may be turned over to the appropriate school authorities. Students who repeatedly violate transportation rules may be suspended or excluded from bus service. Each year, students in NCUSD #203 complete a bus evacuation drill as required by Public Act 94-0060.

## **DRESS CODE**

The student dress code in Naperville 203 is derived from Board Policy 7:160 - Student Appearance: *Students' appearance, including dress and personal hygiene, must not disrupt the educational process, interfere with the maintenance of a positive teaching/learning climate, or compromise reasonable standards of health and safety.*

**Intended Purpose:** To promote a positive learning environment in schools consistent with the values of Naperville 203 and to ensure a safe and inclusive learning and working environment for all students, staff and the community, regardless of their race, age, ability, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, socio-economic circumstances, or body type/size.

**Guidelines for the instructional day:** An individual's dress, personal appearance, cleanliness, as well as behavior, demonstrate sensitivity to and respect for the learning community.

- Students must wear tops, bottoms, and shoes.
- Clothes must be worn in a way that genitals, buttocks, and nipples are fully covered with opaque (non-transparent) material.
- All undergarments must be covered by outer attire (visible straps are allowed).
- Caps, hats, or head coverings may be worn in the building during the school day provided they do not compromise the ability to identify a student, compromise academic integrity, or cause a disruption to the learning environment.
- Attire or accessories that directly, by innuendo, or look-alike promote alcohol, drugs, sex, pornography, profanity, violence, gangs, and weapons may not be worn at school.
- Students cannot wear anything that includes hate speech, images, or language that creates a hostile or intimidating environment for others, including any protected class or marginalized group. Hate speech includes any form of expression through which speakers vilify, humiliate, or incite hatred against a group or a class of persons on the basis of race, religion, skin color, sexual identity, gender identity, ethnicity, disability, immigrant status, or national origin (adapted from the American Library Association).

**\*These guidelines may be adapted by building/district administrators for special events or other school sponsored activities. Student athletic and activity apparel will be defined by safety and competitive performance standards. All dress code adaptations must follow Board Policy 7:160 - Student Appearance.**

## **ELECTRONIC DEVICES**

Cell phones must be stored and in the off position during the school day. Personal electronic devices will not be used during school hours unless under the supervision of a teacher. Lincoln does not take responsibility for any of these items. These items must be turned off and stored in student lockers during the school day (8 AM – 2:50 PM)

Students found handling or using a cell phone during the school day will be referred to the office and be assigned consequences. Additionally, devices may be confiscated and returned to the student or parent at the discretion of the school.

**Students are never allowed to take photographs or video on school grounds without staff permission. Students are never allowed to take photographs or video with personal devices, but Chromebooks may be used for educational purposes with staff permission.**

## EMERGENCY CLOSING OF SCHOOL

Closing of the entire District due to inclement weather, or of one school only (such as for a broken pipe), will result in a phone message being sent to all parents. A Talk203 email message will also be sent to all District Talk203 subscribers. In addition, a recorded message regarding the closing will be available on the District 203 Administrative Center's main telephone line, 630-420-6300.

**Parents and District Talk203 subscribers will only receive notice if schools are closed, otherwise the day will proceed as usual.** Please recognize that no system is foolproof; a power outage or extreme demand on these systems could affect access to communications technologies. See district website for radio and TV listings.

## FIELD TRIPS AND BEHAVIOR POINT SYSTEM

- Field Trips - LJHS sponsors and schedules a number of educational trips during the year. These trips enrich the curriculum taught and are a privilege initially offered to all students. The school assumes a significant responsibility in taking these trips. A student's school behavior prior to the trip must be cooperative and positive in order to be eligible for the field trip. Students not attending field trips are expected to be at school.
- Class Trips - Each year the students at Lincoln have the opportunity to participate in class trips that are designed to celebrate team unity and success. These trips are planned to ensure student safety in addition to increasing student understanding. Ideally all students will be able to participate in field trips. In order to reinforce our expectations of students and promote a positive experience for all, the trips will be made available to those students who have demonstrated good citizenship and responsibility.
- Eight grade students will have the opportunity to attend an end of the year celebration field trip to Navy Pier and boat cruise. This trip is a privilege given to those eighth grade students who have maintained good standing throughout their eighth grade year at Lincoln Junior High School. A point system will be utilized to monitor student opportunities to participate in class trips. Families of students in danger of losing the privilege of attending class trips will be notified of concerns impacting the student ability to participate. Final discretion about whether or not a student can attend the boat trip will be determined by building administration.

## HALLWAY EXPECTATIONS

Goal: The hallways at LJHS will be a safe environment where people interact with courtesy and respect. Students, we expect you to:

- Have a hall pass if you are in the hallway during class time.
- Walk at all times in the hallway and in the classroom.
- Keep your hands and feet to yourself at all times.
- Talk at a quiet and "indoor" voice level.
- Keep the hallways clean of trash.
- Eating and drinking are not allowed in the hallways.
- Keep moving in the hallway, preventing traffic backups.
- Demonstrate good character at all times.

## HEALTH SERVICES INFORMATION

*\*Health procedures may be updated in accordance with CDC guidelines given the changing status of the COVID pandemic.\**

It is the goal of our school Health Services to have all students safe, healthy, and ready to learn. The health office is located near the main office and is staffed during the school day by a health technician who is certified in First Aid and CPR/AED. A certified school nurse is at the school and/or available on an on-call basis. The health office provides services to students who have become ill, injured, or who need help with medical needs. The health office also maintains documentation of student visits and health records. Junior high schools require students to obtain a pass from their classroom teacher before reporting to the health office unless it is an emergency. **STUDENTS MAY NOT LEAVE THE SCHOOL FOR ILLNESS/INJURY WITHOUT FIRST REPORTING TO THE HEALTH OFFICE FOR EVALUATION.**

If your student has a special health concern (i.e. asthma, food or bee sting allergies, diabetes, etc.) please notify the health office so that we can ensure the health and well-being of your child while he or she is in school. When your child is taking daily medication at home, please notify the Health Office so that any side effects that may occur will be recognized more easily and proper steps can be taken toward treatment. **If your child has a health concern and will be participating in an after school activity or sport, it is the parent's responsibility to notify the adult in charge of the activity. Epinephrine auto-injectors, inhalers, and other medications are not available for after school activities and sports. The Health Office is staffed only during the school day and is required to be locked before and after school day hours.**

Because many communicable diseases occur throughout the school year, and because most do not pose a serious threat to the general population, we do not inform parents every time a new case of illness occurs. If you have a special need to know about cases of communicable diseases, such as chickenpox, occurring in your child's classroom (i.e. your student or a family member is immunosuppressed, or has similar health concerns) please inform the health office. We will contact you if such an illness occurs in your child's class.

All forms used by the District health offices are available online at the District website or in the health office.

### PHYSICAL EDUCATION EXCUSES

A written parent request for exclusion from physical education (P.E.) is valid for three consecutive periods and should be presented to the Health Technician who will in turn notify the P.E. teacher (and classroom teacher in elementary schools). Any situations needing exclusion for P.E. beyond three days requires a physician's evaluation/note of excusal.

### DENTAL EXAMINATIONS

The State of Illinois **requires that all students in Kindergarten, second, sixth and ninth grades have an oral health examination** performed by a licensed dentist. Following your child's exam, please have your dentist fill out the form required by the state and return it to the health office of his/her school no later than May 15 of the year of the required exam. The exam must have been performed any time within an 18-month period prior to this due date. Exam forms are also available at your dentist's office. If you need a referral to find a dentist or financial assistance to obtain your child's exam, please contact your school's health office for assistance from the nurse.

## VISION EXAMINATIONS

The state of Illinois **requires that all students entering Kindergarten or entering school for the first time from out of state** shall have an eye examination from an eye doctor before October 15 of the year of the required exam or within 30 days of enrollment for new students from out of state. Eye exam forms are also available at your eye doctor's office.

Students receive a *screening* for vision and hearing routinely during their school experience from staff of the DuPage County Health Department. Parents of students meeting referral criteria will be contacted. Parents/guardians may request additional vision and/or hearing screening at any time by contacting the health office.

## PHYSICAL EXAMINATIONS

A physical examination, completed by a licensed physician or nurse practitioner is **required for entrance** into Preschool, Kindergarten, sixth grade, ninth grade, and/or when transferring into state of Illinois schools for the first time. These forms should be turned in to the District by the first day of school, but no later than October 15th of the year of the required examination. Exam reports for out-of-state students must be turned in by October 15th or within 30 days of enrollment, whichever comes first. Exam forms are also available at your health care provider's office.

*The health history portion of the physical examination form must be completed and signed by the parent in order for the physical to be considered valid by the state of Illinois.*

**The exam must be dated within one year prior to the date the student enters school.**

Physical examinations may be acquired through your primary care provider. If you do not have a primary care provider, you may contact your school nurse or the DuPage County Health Department for referrals to local health clinics that provide such services.

Junior high school athletes, including cheerleaders, must also have a current physical prior to tryouts. A separate physical is not required for students to participate in intramurals.

## IMMUNIZATION REQUIREMENTS FOR COMPLIANCE WITH THE STATE OF ILLINOIS

Because immunization requirements are frequently updated, parents are advised to consult with their primary care provider about the status of their student's immunizations and compliance with the most recent requirements of the state of Illinois.

## ASTHMA

Illinois Public Act 099-0843 requires schools to request an Asthma Action Plan from parents of students with asthma. When provided, the asthma action plan will be kept on file in the office of the school nurse. With proper authorization, students may carry and self-administer an inhaler (using a spacer) for the treatment of asthma. A back-up inhaler and spacer should be kept in the school health office. Forms for asthma management can be found on the district website under Health Services.

An emergency protocol for asthma emergencies has been developed by the District. If a student has an asthma emergency without access to his or her rescue inhaler, school staff may call 911, to ensure the safety of the student.

## WHEN TO KEEP YOUR CHILD HOME

### **Keep your child home:**

1. If a rash is present that has not been evaluated by a physician.
2. If your child's oral temperature measures 100 degrees F or higher. A child with such a fever should remain home for 24 hours after the temperature returns to normal without the use of fever reducing medicines.
3. If your child vomits 2 or more times in the previous 24 hours and/or continues to experience nausea and/or vomiting.
4. If your child experiences loose or watery stools with a frequency greater than usual. The symptom should be referred to a physician for evaluation
5. If your child complains of severe, persistent pain. The symptom should be referred to a physician for evaluation.
6. If your child shows signs of upper respiratory infection (cold symptoms) serious enough to interfere with the child's ability to learn.
7. If there are signs of conjunctivitis ("pink eye") with matter coming from one or both eyes, itching, and/or crusts on eyelids. The symptom should be referred to a physician for evaluation.
8. If there are open sores that have not been evaluated by a physician. Once a student has provided a written physician release for a student to return to school, any open wound or sore will be covered with a dressing taped on all four sides.

If you are not sure about whether to send your child to school, call or visit your child's physician. A parent will be called if students display any of the symptoms listed above. Any child leaving school during school hours must be signed out at the office by the adult assuming responsibility for that child.

Good health and good attendance give a child a head start toward a good education. Encourage your child toward habits of good nutrition, proper rest and exercise, and proper dental and personal hygiene. Attendance is monitored periodically throughout the school year and you will be notified if your child's absences and/or tardies exceed 5% of the dates of school attendance.

## ACCIDENT & ILLNESS

### **In case of accident or illness at school this procedure will be followed:**

1. First aid is administered.
2. If serious, parents are contacted. Paramedics will be called for potentially life threatening situations or for serious injuries.
3. If the parents cannot be reached, the local emergency contact provided by the parents will be called. Please be certain that we have at least two emergency numbers to call in case we can't reach either parent. Please do not give a person's name and number as the emergency contact who is gone during the same hours you are away from home (i.e. bridge groups, bowling teams, tennis, etc.) Please keep these numbers up-to-date when people move or change jobs. Also, the person(s) given as emergency contacts should consent to be listed. They should be informed they may be asked to come to pick up a sick child. Emergency information is used by staff in case of illness or accident.

If the parents or emergency numbers cannot be reached, emergency medical services may need to be utilized.

All accidents, no matter how minor, are to be reported to the teacher in charge, who will refer to the health office if necessary. Accidents occurring on the way to school should be reported to the health technician immediately upon reaching the school building. If the health technician is not in the building, accidents should be reported to the office.

## RE-ADMITTANCE OF PUPIL

### **Following Injuries, Hospitalizations, Surgeries**

Students should present a note from a physician or nurse practitioner stating the student is allowed to return to school, following discharge from a hospital admission, surgery, or an illness with absence from school for more than five days.

Any temporary restrictions or accommodations needed after an injury or surgeries require written orders from a physician or nurse practitioner. Instructions from physical therapists should be communicated to the physician or nurse practitioner who can then write orders for accommodations. Examples include PE restrictions/modifications and use of crutches. Appropriate footwear, such as tennis shoes and other supportive shoes (no flip-flops) must be worn when using crutches for safety reasons.

### **Following Contagious Illness**

We ask parents to notify the Health Office as soon as possible if the student develops a potentially contagious illness, including but not limited to mumps, chicken pox, measles, whooping cough (pertussis), impetigo, strep throat, Fifth's Disease, and conjunctivitis. He/she may need to be re-admitted through the Health Office. Some illnesses may require a written back-to-school clearance signed by a physician. We work together with the student's primary care provider and the DuPage County Health Department to determine when it is no longer a public safety concern for a student to return to the school setting.

### **Following Skin Rashes**

Students with any type of rash, sore, or other skin condition should not come to school until the condition has been evaluated and identified by a physician who provides a written release to return to school for the school health office. The release should include the diagnosis, treatment plan, and any information about precautions/restrictions to take at school.

After a student has been released to return, any open wound or sore must be covered with a dressing taped on all four sides.

Students will benefit from being taught to never share personal items when active in the community, at home, or school such as clothing, uniforms, sports equipment, towels, skin balms or lotions, razors, water bottles, bar soap, etc. Students should always report any skin lesions to an adult. Following these simple precautions, and good hygiene practices such as effective hand washing, can help prevent the spread of many communicable diseases.

## FOOD ALLERGIES

An increasing number of school age children have food allergies. Symptoms can range from mild reactions to severe life threatening reactions leading to the inability to breathe, a drop in blood pressure and unconsciousness. Please inform the health office prior to the start of the school year if your child has a food allergy. **All** children are strongly discouraged from sharing foods and treats with classmates. Good communication helps ensure the safety of all of our children.

## STUDENT MEDICATIONS

### **BOARD OF EDUCATION NAPERVILLE COMMUNITY SCHOOL DISTRICT 203**

#### **Naperville, Illinois Policy #7:270, Administering Medicines to Students**

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the District's procedures on dispensing medication.

No School District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed "School Medication Authorization Form" is submitted by the student's parent/guardian. No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

A student may possess an epinephrine auto-injector (EpiPen®) and/or medication prescribed for asthma for immediate use at the student's discretion, provided the student's parent/guardian has completed and signed a "School Medication Authorization Form." The School District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or medication, or the storage of any medication by school personnel.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication. The Building Principal shall include this policy in the Student Handbook and shall provide a copy to the parents/guardians of students.

**CONCUSSION MANAGEMENT**

A concussion can be a serious medical condition. Any member of the school community who believes a student is displaying concussion symptoms should immediately ensure the student is assessed by the school nurse or the school's licensed athletic training professional. The nurse or licensed athletic trainer would then refer the student for further medical evaluation.

When parents or guardians have been informed that their student has been identified by a licensed medical doctor or licensed athletic training professional as having suffered a concussion, the following steps should be taken:

<b>Actor</b>	<b>Action</b>
A. Parent or Guardian	Notify the School Nurse of the injury and provide any documentation from the licensed medical doctor regarding specifics of the concussive injury and any relevant recommended accommodations that should be made, including duration for accommodations.
B. School Nurse	<ol style="list-style-type: none"> <li>1. Communicates with family and, if appropriate, with doctor who treated student, to fully assess student's condition;</li> <li>2. Meets with student upon student's return to school;</li> <li>3. Assesses student's medical needs in school context;</li> <li>4. Collaborates with Counselor (secondary) or designated staff (elementary) to communicate relevant information.</li> </ol>
C. Counselor (or designated staff)	<ol style="list-style-type: none"> <li>1. Collaborates with School Nurse to jointly assess student's academic needs and jointly formulate accommodations for student, as appropriate.</li> <li>2. Distributes, in writing, accommodations to student's teachers and parents.</li> </ol>
D. Teachers	<ol style="list-style-type: none"> <li>1. May seek clarification from School Nurse or Counselor (or designated staff).</li> <li>2. Institutes accommodations as directed.</li> </ol>
E. School Nurse & Counselor (or designated staff)	<ol style="list-style-type: none"> <li>1. Assess student's progress;</li> <li>2. Reassess accommodations, with additional input from licensed medical doctor of student, if appropriate;</li> <li>3. Communicate to teachers any updates to accommodations and/or suspension of accommodations, as appropriate.</li> </ol>

Regarding the above procedures, at the beginning of each school year the following should be communicated by the school administration:

1. This policy and its administrative procedures to all staff and parents/guardians;
2. The identity of the school nurse to all teachers, coaches, parents/guardians, and administrators.

### **INSURANCE FOR STUDENT ACCIDENTS**

The District carries student accident insurance coverage on your child's behalf. The student accident coverage covers injuries that occur during any school sponsored and supervised activity including all athletic activities. If your family has medical coverage, this policy reimburses for out of pocket expenses including co-pays and deductibles (subject to policy conditions, limitations and exclusions). If you do not have medical insurance, our coverage is primary. If parents/guardians desire coverage for an accident, they must file a claim within 90 days of the injury. Accident claim forms are available from the health office.

### **HOMELESS LIAISON**

A homeless child as defined by state law may attend the District school that the child attended when permanently housed or in which the child was last enrolled. A homeless child living in any District school's attendance area may attend that school. Transportation shall be arranged according to State law. If a dispute arises regarding a homeless child's rights, the Superintendent, or designee, shall inform their parent(s)/guardian(s) of the availability of an investigator, sources for low cost or free legal assistance, and other advocacy services in the community.

### **HOMEWORK**

All students are given regular homework assignments. These assignments are used to supplement and enhance the activities of the regular school programs. Each team will have a method to ensure that students can access their homework from home.

### **I.D. CARDS**

All students are issued an identification card. Students are required to have their ID cards on them at all times. They may be needed to enter the school, in the Learning Commons, lunch room, on the school bus, and to give identification access to staff members. ID cards are used for identification purposes. Replacements can be obtained through the Learning Commons.

### **LASER POINTERS**

Laser pointers are not toys and should not be brought to school. Directing the light from a laser pointer upon any person, building, vehicle, or other object can be harmful.

### **LEARNING COMMONS**

Lincoln's Learning Commons is the center of our school's learning. All are welcome to browse, read, research, build, create and learn. Lincoln's Learning Commons supports the school curriculum as well as provides multiple learning activities based on student and teacher interests. Students use the Learning Commons in both a flexible and fixed schedule. ELA teachers bring their classes down on a regular basis to hear book talks and checkout books for both leisure reading as well as class texts.

The Learning Commons at Lincoln also features a Maker Lab for students to experiment, build, design, and create with a variety of materials. Students can engage in a variety of coding activities with our Sphero Robots or Parrot Drones. In addition, they can design and play their own video games with our Bloxels. Or they can go old school and build on the Lego wall or with our Keva Planks. The Maker Lab is open on a flexible schedule through lunch periods and supervised study.

## **LOCKERS AND LOCKER DECORATING**

Each student is assigned to a personal hall locker for which they are responsible. Security of these lockers cannot be guaranteed. Do not leave any valuables or large sums of money in these lockers. The school will not take responsibility for items taken from the lockers. Edibles should never be left in the locker overnight. Locker combinations must be kept private and not shared with anyone. All locker decorations are to be limited to paper products. Decorating must be done before school after getting approval from the office and a pass. Latex balloons are not permitted in school.

## **LOST AND FOUND**

Articles which are found around school will be placed in the office or in the lost and found bins located in the fitness center stairwell. Small items (glasses, jewelry, etc.) are kept in the front office. Items left for more than a month are donated to local charities. **Please put a student name on all articles.** Items found on school property are expected to be turned into the Lost and Found. Students in possession of lost items may receive a consequence for theft. Students that are missing items of value should report it to the School Resource Officer.

## **LUNCH PERIOD**

Our school has a closed campus policy. Time is provided for eating and outdoor activities, if weather permits. (Students will go outside in colder weather unless the wind chill is below 0 degrees.) Only school sponsored parties are permitted during lunch. Parents are allowed to bring food for their student **only**.

School policy does not allow birthday treats. Students may not arrange or have food delivered from outside sources during the lunch hour. Only school sponsored parties are permitted during lunch. We greatly discourage parents picking children up for lunch, as it is difficult to get back in such a short amount of time. Parents are not allowed to take children other than their own out of the building for lunch.

The hot lunch program includes a regular hot plate lunch prepared at the school daily, as well as many a la carte items such as hamburgers, pizza, fruits, soup, etc. Students are also welcome to bring their own lunch or make a lunch of combined "bought and brought" foods. Milk and other drinks are sold daily. Food is permitted **only** in the cafeteria unless otherwise instructed.

Naperville Community Unit School District 203 participates in the National School Lunch Program. Nutritious meals are served every school day. Children from homes that meet Federal guidelines are eligible for free or reduced price meals. Further information is available at the school office.

Forgotten lunches may be dropped off in the lunch bins across from the front lobby. Because student schedules vary, we cannot guarantee that students will get their dropped off food in time for lunch. The best way to alleviate any issues is to make sure that your child has money on their account in order to buy if a prepared lunch is left at home.

## **LUNCHROOM RULES**

1. RESPECT ALL ADULTS and follow directions. This includes the adults that run our cafeteria lines.
2. Students should use classroom voices and be quiet when directed and during announcements made by the lunchroom supervisors..
3. Students should find a seat when they enter the cafeteria and must ask permission to leave or switch their table.
4. Students must have their ID number in order to get lunch and to check out playground equipment.
5. Restrooms are to be used before students are dismissed to recess.
6. Students will be dismissed to go outside and to access the lunch lines.

8. Students may only go to one line to buy food. No line switching.
9. If food is touched by an individual student, that student will be required to pay for the item.
10. During lunch periods, students are to remain in the lunchroom or out on the playground. Students may only leave the lunch room/recess area if they have a pass from a teacher.

3. Stay out of the sand. Stay in the area designated to your group.
4. Use all recess equipment safely and with respect to the safety of others.
5. Other than playground equipment, no other items should be thrown. (Snow, grass, rocks, etc.)
6. Line up when the whistle sounds and walk in politely.

#### Lunchroom Consequences

Students that do not follow the lunchroom procedures or rules will be subject to progressive discipline.

#### **MAKE-UP WORK**

Students are responsible for making up all work missed due to absence. Missing work can be picked up starting with the third day of absence. Please email the team teachers for this request or contact the grade level counselor. Most assignments can be found on Canvas. If applicable, homework can be picked up at the front office after 3:00 PM. Students will be allowed the total number of school days absent in order to make up work missed, e.g., if a student is absent for five days, he/she will be allowed five days to make up the work, unless other arrangements are made with the teacher. (Students suspended from school must turn all their work in on the day they return.)

#### **MOVING ON CEREMONY**

The 8th Grade Moving On Ceremony is a celebration of the student's completion of junior high. It takes place during one of the last two days of school and 2 family members (per household) are welcomed to attend. It is sponsored by the Home and School Association. Disciplinary consequences may prevent a student from attending the ceremony.

#### **MOVING/TRANSFER PROCEDURE**

If a student is moving from Lincoln to another school, the office should be notified well in advance of the student's last day. If possible, the office needs to know the name and address of the new school. On the last day of attendance at Lincoln, the student should pick up a check-out sheet (before school) from their counselor. During classes that day, all books and equipment needs to be returned. The check-out sheet must be returned to the counselor at the end of the day.

## **NOTICE OF NON-DISCRIMINATION**

Naperville Community Unit School District 203 is in compliance with the U.S. Civil Rights Act of 1964 and the Title IX Educational Amendments of 1972, Park 86. The school district does not discriminate on the basis of race, color, religion, national origin, ancestry, unfavorable discharge from military service, sex, age or disability in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. ## **OFFICE REFERRALS**

It is our belief that teachers, parents, and administrators must work together to create a positive behavior program for the students at LJHS. Teachers will attempt to handle all discipline problems that arise under their supervision. If repeated attempts to solve the problem fail, the student will be referred to the assistant principal. The assistant principal will take the appropriate steps necessary to remediate the problem. Consequences ranging from a conference, detention, Saturday school or suspension or expulsion from school are possible. Office detentions are served at lunch, before school or after school ranging from 1/2 hour to 2 hours in length.

### Saturday School

Saturday School detentions may be given in lieu of an internal or external suspension. This decision is made by the principal or assistant principal. Saturday School is attended from 7:30 AM until 11:30 AM on Saturday morning. Students that fail to show up at a Saturday School will be required to meet with an administrator to discuss next steps/alternate consequences.

### Internal Suspensions/In-School Supervised Study

Infractions of the discipline code may result in an internal or external suspension from school. Internal suspensions are served in the Internal Suspension room next to the assistant principal's office. Students are required to do work, receive help from their teachers (when available) and complete the tasks before they leave. Internal suspensions/In-School Supervised Study go from 8:00 AM to 2:50 PM. Students will not eat in the cafeteria during a suspension. Students that have further issues during an internal suspension may have their time extended. Parents will be notified if they are needed to provide transportation after school. Students may attend activities after the suspension is completed.

### External Suspensions

External suspensions remove the student from the educational setting for a specified number of days. Students are not allowed on school district property during an external suspension. They may not attend any district activities until their next day of attendance. Any work assigned is expected to be handed in when they return.

## **PERFORMANCE MUSIC, WORLD CLASSICAL LANGUAGE, AND EXPLORATORIES**

### Band, Chorus and Orchestra

These are graded classes that all students may take as electives and must attend as in any other class. They are open to all students. Class lessons as well as full group rehearsals are regularly scheduled during the school day. They perform at concerts and are occasionally called upon to perform at assemblies and other events.

### Band

Band performance opportunities include 6th, 7th, and 8th grade Concert Bands and combined Marching Band. Membership in the band requires regular attendance at rehearsals and group lessons. Additional enrichment band activities include one of the voluntary LJHS Jazz Bands, which meets before school.

### Chorus

Chorus performance opportunities at Lincoln include: 6th grade chorus, 7th grade chorus, 8th grade chorus, Varsity Singers and Spring Musical Mainstage. Students must participate in their grade level chorus to perform in Varsity Singers, as it is an extra-curricular group that meets before school on a weekly basis. Interested students are encouraged to join an academic ensemble for additional preparation. Chorus is an academic course that requires public performances once per trimester.

### Orchestra

Orchestra performance opportunities at Lincoln include 6th grade orchestra, 7th grade orchestra, 8th grade orchestra, Bluegrass Strings and Chamber Orchestra. Students must participate in their grade level orchestra to perform in Bluegrass Strings, as it is an extra-curricular group. Bluegrass Strings meets before school. Both regular lesson groups and chamber orchestra meet on a rotating basis throughout the day. Membership in the Lincoln Orchestras requires mandatory attendance at lessons and full orchestra.

### World Classical Language

Students may take World Classical Language instead of Exploratory classes. French or Spanish are the choices for 7<sup>th</sup> and 8<sup>th</sup> graders and are graded like core classes. World Classical Language is a 2-year program, and requires a full year commitment.

### Exploratories

These are graded classes that are taken by all 6th graders and selected by all 7th and 8th grade students who choose Exploratory classes instead of a World Classical Language. This decision requires a full year commitment.

## **SAFETY DRILLS AND PROCEDURES**

### Lock Down Continue Instruction

In certain situations, it may become necessary to secure the building and the movement of individuals from area to area. The purpose of lockdown procedures is to maximize the school's ability to investigate situations and maintain a safe environment in a heightened level of security.

### Lock Down Position of Safety

In the event that there is a threat inside the building, you are encouraged to follow your ALICE (Alert, Lock down, Inform, Counter, Evacuate) training. You should ignore bells and/or alarms during this time, and move yourself to a position of safety. If it is safe to do so, you should evacuate the building.

### Fire/Building Evacuation

Fire/Evacuation drills are held several times during the year. Every room has a chart telling students what route to take in case of fire. When the fire alarm is sounded, all pupils should walk quickly and silently to designated exits outside the building. Students are to vacate the building as a class, remaining with the classroom teacher. No one should re-enter the building until an all-clear signal has been given by appropriate personnel.

### Shelter in Place

Tornado drills are conducted annually. Every room has a map indicating where students and staff should be in the event of a tornado. When the tornado alarm is sounded, students and staff remain in their classrooms or proceed to the designated tornado location and follow teacher directions for appropriate tornado procedure.

## SCHOOL DAY ARRIVAL AND DISMISSAL

Lincoln's school day begins at 8:00 AM and concludes at 2:50 PM. Students should arrive at school between 7:30 AM and 7:50 AM. The day is divided into nine periods. Students involved in after school athletic practices and events must take their books, coats, etc. with them when they go to the locker rooms. Students should plan on not being able to return to their lockers.

All students should remain only in designated grade locations. Please note, there are no designated areas in the grass. Students should not be in the grass or planters.

Please be courteous to others and be especially careful pulling back out onto Olympus Drive.

### **SCHOOL RESOURCE OFFICER**

The goals of well-founded SRO programs include providing safe learning environments in our nation's schools, providing valuable resources to school staff members, fostering positive relationships with youth, developing strategies to resolve problems affecting youth and protecting all students, so that they can reach their fullest potentials. NASRO considers it a best practice to use a "triad concept" to define the three main roles of school resource officers: educator (i.e. guest lecturer), informal counselor/mentor, and law enforcement officer.

Lincoln Junior High School has a School Resource Officer (SRO) in the building half-time. The purpose of the SRO program is to bridge the gap between police officers and young people and increase positive attitudes toward police and law enforcement. The SRO provides law-related education to students, parents, and staff. Working as a law enforcement officer for the entire school community, the SRO will use expertise from law enforcement to assist students, parents, and staff.

Lancer winners are awarded five times a year. This award is based on an individual student's outstanding contributions to the school community in alignment with LANCER Pride, our character education program. Awards recognizing student achievement in academics, service, citizenship, patriotism, and community service are presented at school assemblies held at the end of the school year. Several of the awards are sponsored and presented by community and civic groups.

## **STUDENT SERVICES**

Each student is assigned a counselor who works with the student in a variety of ways. The counselors and school social workers help to address concerns with the students' orientation to school, the adjustments of individuals to the total school setting, and the development of maturity, responsibility, and a good self-concept. Students may see the counselors by requesting an appointment.

## **TALK203 COMMUNICATION**

Talk203 is the district's communication system, which combines both telephone and email notifications to our families, staff and community through Blackboard Connect. Messages are issued at both the school and district-wide level, and range from information regarding forthcoming events, upcoming important decisions affecting students and staff and emergency bulletins such as weather-related school closings.

Since Talk203 is tied to our Student Information System, any parent who has provided a phone number and an email address to the District during the student registration process will automatically be included in the database to receive Talk203 messages. If you did not provide an email address at registration, you may be added to the system (or change your existing information) by logging into your Infinite Campus account. Information on this is accessible from the homepage of the District website: [www.naperville203.org](http://www.naperville203.org).

Community members may also sign up to receive district-wide Talk203 messages by clicking on the Talk203 for Community Members button also found on the right side of the District 203 homepage.

## 7:140 Search and Seizure

In order to maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

### School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

This paragraph applies to student vehicles parked on school property. In addition, Building Principals shall require each high school student, in return for the privilege of parking on school property, to consent in writing to school searches of his or her vehicle, and personal effects therein, without notice and without suspicion of wrongdoing.

The Superintendent may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

### Students

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District's student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objectives and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students;
2. In the presence of a school administrator or adult witness, and
3. By a certificated employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the school authority who conducted the search, and given to the Superintendent. The parent(s)/guardian(s) of the student shall be notified of the search as soon as possible.

### Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the District's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

## Video Cameras and/or Monitors

To assist in maintaining security and to deter inappropriate conduct, the School District may position video cameras and/or monitors in public areas of school property, such as hallways, stairwells, gymnasium, cafeteria, school buses, and exterior locations of school buildings. Appropriate disciplinary action may be taken for misconduct which is recorded or observed from the cameras and/or monitors.

## Notification Regarding Student Accounts or Profiles on Social Networking Websites

The Superintendent or designee shall notify students and their parents/guardians of each of the following in accordance with the Right to Privacy in the School Setting Act, 105 ILCS 75/:

1. School officials may not request or require a student or his or parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.
2. School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

## **7:180 Prevention of and Response to Bullying, Intimidation and Harassment**

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying, intimidation or harassment of a student or staff member for any reason, including, but not limited to, on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic through, but not limited to, verbal comments, racial, ethnic, religious or other slurs or threats, physical gestures or actions, the use of email, web sites, social networking sites, voice mail, or any other verbal, written or electronic communication, is prohibited in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any non-school related activity, function, or program.

## **7:190 Student Behavior**

### Philosophy of Student Conduct

The Board believes that student behavior should reflect standards of good citizenship. Students are expected to conduct themselves within the bounds set by the Board and, as hereby authorized, the administrative regulations set forth by the Superintendent or their designee.

The basic principles guiding student behavior are consideration for the rights and well-being of others, cooperation with all members of the school community (which includes staff, students, community members, Board and parents) and respect for oneself and others.

The Board believes in the dignity and uniqueness of each individual. To maintain a learning and work environment that is safe and promotes excellence in education, District 203 encourages respect for all persons and has established rules and guidelines to encourage positive, constructive and responsible student behavior and an environment conducive to learning. All members of the school community are responsible and obligated to familiarize themselves with the rules and guidelines governing student conduct.

The Board especially believes that, if staff, parent(s) or guardian(s), and students know and understand the expectations for student conduct and the consequences for not meeting these expectations, behavior issues in our schools will be reduced and a better educational environment will prevail.

The Board believes in the dignity and uniqueness of each individual. To maintain a learning and work environment that is safe and promotes excellence in education, District 203 encourages respect for all persons and has established rules that will not tolerate harassing, hazing, bullying or intimidating behavior. All members of the school staff share responsibility for maintaining good discipline and presenting positive role models. Behavior issues should be reported and handled promptly for the benefit of the student and the school. Recognizing that each situation is unique, and that administrative discretion is necessary, the goal is to implement the appropriate behavioral, disciplinary, and/or restorative intervention(s) needed to change the undesirable behavior and maintain an orderly school environment.

The best interest of the student and the welfare of others are the motivating forces behind this philosophy.

### Additional Interventions Related to Discipline Code

The District is concerned for the health, safety, and well-being of all students and recognizes that students' issues as they are manifested in school – specifically behavior, attendance, health, and academic issues - may impact their ability to learn.

The District recognizes these issues as legitimate educational concerns, and seeks to address them by offering support, and interventions. Forms of intervention, prevention and/or education may include observation of inappropriate behavior, intervention at appropriate levels, restorative measures, encouragement of professional assessment, referral, and support/aftercare.

### Substance Abuse

To ensure the highest standards of learning in the classroom, District staff will urge students to abstain from the use of illegal substances or drugs, alcohol or the misuse or abuse of prescription or non-prescription drugs, identify student behavior that may indicate such use and implement intervention or support services along with appropriate disciplinary action.

### When and Where Conduct Rules Apply

A student is subject to disciplinary action for engaging in prohibited student conduct, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

The Superintendent or designee may grant an exception to this prohibition upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

## Disciplinary Measures

Efforts, including the use of positive interventions restorative measures, and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board’s authority to impose discipline, including suspension or expulsion for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student’s parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school

suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parent(s)/guardians(s)
2. Disciplinary conference.
3. Withholding or privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The building principal or designee shall ensure that the student is properly supervised.
7. After-school detention or Saturday detention provided the student's parent/guardian have been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the building principal or designee.
8. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
9. Suspension of bus riding privileges in accordance with Board policy 7:220, *Bus Conduct*.
10. Out-of-school suspensions from school and all school activities in accordance with Board policy 7:200, *Suspension Procedures*. A student who has been suspended will also be restricted from being on school grounds and at school activities.
11. Expulsion from school and all school activities for a definite period not to exceed 2 calendar years in accordance with Board policy 7:210, *Expulsion Procedures*. A student who has been expelled will also be restricted from being on school grounds and at school activities.
12. Transfer to an alternative program if the student is expelled or otherwise qualifies for the transfer under State law. The transfer shall be in the manner provided in Article 13A or 13B of the School Code, in accordance with Board Policy 9:215, *Alternative Placement Procedures*. A student must not be denied transfer because of the expulsion, except where the transfer would cause a threat to the safety of the students or staff in the alternative program.
13. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), "look-alikes," alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the safety issue or disruption is a suspension or expulsion

Students enrolled in the District's State-funded preschool program(s) may be temporarily removed or transitioned to a new program in accordance with federal and State law. State law prohibits the expulsion of students from the program(s).

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Neither isolated time out, time out, nor physical restraint shall be used to discipline or punish a student. These methods are only authorized for use as permitted in [105 ILCS 5/10-20.33](#), State Board of Education rules ([23 Ill.Admin.Code §§ 1.280, 1.285](#)), and the District's procedure(s).

#### Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

#### Early Identification – Aggressive Behavior

Any school staff member, who identifies a student as having demonstrated aggressive behavior, or behaviors that put the student at risk for aggressive behavior, shall refer the student to the building administrator. The building administrator shall establish procedures by which teachers may refer such a student. The building administrator shall determine whether the conduct and behavior of the student are of such a nature and degree that the student is at risk for aggressive behavior. The building administrator shall promptly notify the student's parents/guardian of the referral and shall attempt to schedule a parent-teacher conference to discuss the referral and to recommend such available intervention procedures as are deemed reasonably appropriate.

#### Required Notices

A school staff member shall immediately notify the building principal as soon as possible in the event that they (1) observe any person in possession of a firearm on or around school grounds, however, such action may be delayed if immediate notice would endanger students under their supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, (3) observes a battery committed against any staff member, or (4) observes hazing of a student that

results in bodily harm. If the hazing results in great bodily harm or death, the school staff member shall immediately notify law enforcement and then the building principal or Superintendent. Such action may be delayed if immediate notice would endanger students under their supervision.

Upon receiving such a report, the building principal or designee shall immediately notify the student's parent(s)/guardian(s), the State Police and the local law enforcement agency in accordance with the Individuals with Disabilities Education Improvement Act.

### Reciprocal Reporting

The Superintendent is authorized to follow the provisions of the School Code of Illinois to create administrative regulations, which include guideline procedures to establish and maintain a reciprocal reporting system between the District and local law enforcement agencies regarding criminal offenses committed by students.

### Delegation of Authority

Each teacher, and any other school personnel when students are under their charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated (licensed) education employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Assistant Building Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to ten consecutive school days, provided the appropriate procedures are followed. The Board may suspend a student from riding the bus in excess of ten school days for safety reasons.

The Board directs the Superintendent to provide an annual report on student discipline data, specifically on disparities and the development of a metric based plan to decrease disparities including but not limited to the following subgroups; low income, special education/504, gender and/or race.

## Student Handbook

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment. Within the first week of school, the student discipline policy and description of prohibited conduct will be reviewed with the students. Students will be required to sign a receipt for the handbook.

## PURPOSE

Science is a hands-on laboratory class. However, science activities may have potential hazards. We will use some equipment and animals that may be dangerous if not handled properly. Safety in the science classroom is an important part of the scientific process. To ensure a safe classroom, a list of rules has been developed and is called the Science Safety Contract. These rules must be followed at all times. Additional safety instructions will be given for each activity.

No science student will be allowed to participate in science activities until this contract has been signed by both the student and a parent or guardian.

## SAFETY RULES

1. Conduct yourself in a responsible manner at all times in the science room. Horseplay, practical jokes, and pranks will not be tolerated.
2. Follow all written and verbal instructions carefully. Ask your teacher questions if you do not understand the instructions.
3. Do not touch any equipment, supplies, animals, or other materials in the science room without permission from the teacher.
4. Perform only authorized and approved experiments. Do not conduct any experiments when the teacher is out of the room.
5. Never eat, drink, chew gum, or taste anything in the science room.
6. Keep hands away from face, eyes, and mouth while using science materials or when working with either chemicals or animals. Wash your hands with soap and water before leaving the science room.
7. Wear safety glasses or goggles when instructed. Never remove safety glasses or goggles during an experiment. There will be no exceptions to this rule!
8. Keep your work area and the science room neat and clean. Bring only your laboratory instructions, worksheets, and writing instruments to the work area.
9. Clean all work areas and equipment at the end of the experiment. Return all equipment clean and in working order to the proper storage area.
10. Follow your teacher's instructions to dispose of any waste materials generated in an experiment.
11. Report any accident (fire, spill, breakage, etc.), injury (cut, burn, etc.), or hazardous condition (broken equipment, etc.) to the teacher immediately.
12. Consider all chemicals used in the science room to be dangerous. Do not touch or smell any chemicals unless specifically instructed to do so.
13. Handle all animals with care and respect.
  - a. Open animal cages only with permission.
  - b. Never handle any animals when the teacher is out of the room.
  - c. Do not take animals out of the science room.
  - d. Do not tease or handle animals roughly.
  - e. Keep animals away from students' faces.
  - f. Wear gloves when handling animals.
  - g. Report any animal bite or scratch to the teacher immediately.
14. Always carry a microscope with both hands. Hold the arm with one hand; place the other hand under the base.
15. Treat all preserved specimens and dissecting supplies with care and respect.
  - a. Do not remove preserved specimens from the science room.
  - b. Use scalpels, scissors, and other sharp instruments only as instructed.
  - c. Never cut any material towards you—always cut away from your body.
  - d. Report any cut or scratch from sharp instruments to the teacher immediately.
16. Never open storage cabinets or enter the prep/storage room without permission from the teacher.
17. Do not remove chemicals, equipment, supplies, or animals from the science room without permission from the teacher.
18. Handle all glassware with care. Never pick up hot or broken glassware with your bare hands.
19. Use extreme caution when using matches, a burner, or hot plate. Only light burners when instructed and do not put anything into a flame unless specifically instructed to do so. Do not leave a lit burner unattended.
20. Dress properly—long hair must be tied back, no dangling jewelry, and no loose or baggy clothing. Wear aprons when instructed.
21. Learn where the safety equipment is located and how to use it. Know where the exits are located and what to do in case of an emergency or fire drill.

## AGREEMENT

I, \_\_\_\_\_, (student's name) have read and understand each of the above safety rules set forth in this contract. I agree to follow them to ensure not only my own safety but also the safety of others in the science classroom or laboratory. I also agree to follow the general rules of appropriate behavior for a classroom at all times to avoid accidents and to provide a safe learning environment for everyone. # MY MENTAL HEALTH MATTERS

## I DON'T VAPE

**I KNOW THAT MY MENTAL HEALTH AFFECTS HOW I THINK, FEEL AND ACT.**

Different things can influence my mind. But based on research, I know that vaping can harm mental health, especially in adolescents. The nicotine in vapes can cause anxiety or make it worse.

I'm setting my own rules to protect my mental health.

**I DON'T VAPE!**

### *DON'T GIVE UP!*

- Morgan Freeman, an Oscar-winning actor, was homeless and unemployed before he became successful.
- Albert Einstein, one of the world's greatest physicists, didn't speak until he was four.
