

Can You Lend a WING in the LRC?

Volunteering in the LRC is a wonderful way to get involved in the Ann Reid community. I am looking for volunteers to help in the LRC and resource room; collect books from the classrooms, check in books, check out books, read with the students during their visit to the library, and help prepare materials for classroom teachers, i.e., cutting, laminating, tracing, and making copies.

Please return the completed form to your child's teacher.

AM session: 8:30-10:50am

PM session: 12:15- 2:35pm

Thank you,

Kim O'Neill
