RE: Application for Department of Human/Rehabilitation Services (DHS/DRS)

As part of your student's transition process, we would like to offer him/her the opportunity to apply to participate in DRS's Division of Rehabilitation Services (DRS). DRS is the state's lead agency serving individuals with disabilities (IEP or 504 plan). DRS works in partnership with people with disabilities and their families to assist them in making informed choices to achieve full community participation through employment and education or training opportunities. Students that will benefit from services for employment or education/training may begin the application process here at NCHS. The state provides various services, college/training financial contribution and employment assistance. If seeking educational assistance, students will need to provide a letter of acceptance into an approved training/trade program or college/university (see attached list of documents).

Naperville North and Naperville Central will be holding virtual informational sessions in the spring with the DRS Representative. After submitting, the signed release of records to me, the student's IEP, signed consent forms, and the referral forms are submitted to our DRS counselor. She reviews the information and meets with the student and parents to discuss his/her needs, skills, and plans for education/training and their end goal of chosen employment. Once the required documents are received by DRS (deadline June 30th), the counselor processes the referral and develops the student's individual employment plan (IEP). Upon graduation, any additional meetings are at the Downers Grove DRS office or virtually with the representative pending state provisions.

In order to begin the process you will need to sign the **District 203 Authorization for Release of Special Education Information, DRS Referral Form, and DRS Consent for Services Form (if student is under 18 years of age) and the Privacy Policy Form.** We will compile and submit the components needed for the referral with the DRS counselor. Note Privacy Policy states that DRS will use the student's IEP for providing services to the student. In addition, the student's SSN is used to enter the referral into the state site for providing any services and funding.

If you have any questions or concerns regarding this process, please reach out to us.

What is the Department of Rehabilitation Services (DRS)?

- DHS's Division of Rehabilitation Services is the state's lead agency serving individuals with disabilities. DRS works in partnership with people with disabilities and their families to assist them in making informed choices to achieve full community participation through employment, education, and independent living opportunities

Who is eligible for DRS services?

- All students with a documented disability receiving services outlined in an IEP or a 504 Plan.
- Students who plan on attending college or a vocational/trade school or program
- Students who will need assistance finding and keeping a job in the future

What services can DRS offer to students who are attending college or trade school next year?

- Financial assistance with college/trade school*
 - Able to provide financial assistance for trade school, community college, and (in some cases) 4-year universities → Students **must** have identified a program of study

**DRS requires FAFSA to be completed by all clients*

Financial assistance from DRS is **not always influenced by parental income*
- Can assist individuals to a find job in their field of interest/study following graduation

Stipulations for Continued Financial Aid:

- Must maintain a GPA of 2.0 or better (if GPA goes lower, person is determined ineligible)
- Will not pay for retakes for classes that are failed
- 3 years to complete a 2 year program and 5 years to complete a 4 year program
- Must be students seeking a degree or certification, not remedial classes or “trials”
- Students must have identified program of study before DRS will assist financially
- Grades, schedule, and tuition bill must be submitted at the end of each semester

DRS Informational Meetings:

- DRS Counselor will be coming to NNHS in the spring to hold informational meetings (pending COVID restrictions) for students and families. If necessary virtual meetings will be arranged. All referral and intake meetings after graduation will be taking place at the DRS Downers Grove office based on their procedures at that time.

College Training / Customer

1. Description of your vocational goal and how college training will prepare you for this goal. Description of your academic qualifications and the degree to which you are likely to benefit from college and obtain a degree within the three to six year time.
2. Description of your current level of education (high school transcript-after graduating) and previous college training, if any. Include information on course grades from any previous college of study.
3. Academic qualifications described in detail for your college training. Include description of grades and other indicators of standard college tests such as the ACT and SAT. Any special academic honors or scholarships should be noted.
4. The college you intend to enroll in and describe your expected course of study in college. Provide documentation that the college has accepted you.
5. Provide financial information as it relates to college training, including the results of your application for Financial Aid. This must include a letter from the college with the financial aid amounts, if any, including Pell and MAP Awards.
6. Describe your vocational goal and how college training will result in the achievement of your employment goal.

These questions must be completed with counselor during interview or sent to the counselor for approval before the customer starts the college semester.
