# WHY SHOULD I SET UP A COLLEGEBOARD STUDENT ACCOUNT?

With a College Board account, students can:

- access PSAT, SAT and AP scores
- register for the SAT exam
- print the SAT Admission Ticket
- Manage a personal college list
- Search for scholarships
- Compare college costs

How do I begin?

★ Create your CollegeBoard account by going to www.collegeboard.org

★ Click <u>Sign up</u>

College Starts Here

Sign in to personalize your visit.

[   ]   [   ]   **Sign In**

Don't have an account? <u>Sign up</u>
Forgot <u>username</u> or <u>password</u>?

Create Your College Board Account

To get started please tell us a little more about yourself,

I am **a Student** Or **an Education Professional**

Click on:
I am a Student.
Create Your Student Account

This one account is for everything, including **SAT**, **AP**, **PSAT/NMSQT**, **CLEP**, and **BigFuture** activities, so provide complete and accurate information.

* = Required

General Student Information

★ COMPLETE ALL REQUIRED FIELDS IN ORDER TO CREATE YOUR STUDENT ACCOUNT.

★ CHOOSE A USERNAME, PASSWORD, SECURITY QUESTION AND ANSWER THAT WILL BE EASY TO REMEMBER. SEND YOURSELF AND/OR YOUR PARENT AN EMAIL OR MESSAGE WITH THIS INFORMATION.

4

You will be asked to provide:

First Name, Last Name, Gender, Date of Birth, Email Address, Month and year of High School Graduation, Name of your high school.

You may opt in to monthly Student Newsletter and Alerts.

Parent information is also optional.

Review this information.   if everything is correct, then click Confirm.

You can go back and Edit any information that needs to be fixed or updated.

You might have to verify your account by entering your password again.

CONGRATULATIONS!!

YOU HAVE SUCCESSFULLY CREATED YOUR COLLEGE BOARD ACCOUNT.

- If you have completed a PSAT 8/9 or PSAT/NMSQT you will be able to click on "Add Scores".
- If you get an error message adding your scores, you may need to use the Access Code located on your paper score report.

Your Scores: Next Steps

Your score indicates that you are already likely able to:

Reading Test

19
6 to 36

Improve your skills by focusing on your ability to:

- Revise text as needed to improve the exactness or content appropriateness of word choices within somewhat challenging texts
- Retain or add information or ideas to a piece of a text to support claims or points in somewhat challenging text
- Revise somewhat challenging text to ensure that information is presented in the most logical order
- Revise text as needed to improve the exactness or content appropriateness of word choices within somewhat challenging texts

- Retain or add information or ideas to a piece of text to support claims or points in challenging text
- Use a variety of sentence structures to accomplish a rhetorical purpose such as persuading an audience
- Revise text as needed to improve the exactness or content appropriateness of word choices within challenging texts
- Retain or add information or ideas to a piece of text to support claims or points in challenging text
- Use a variety of sentence structures to accomplish a rhetorical purpose such as persuading an audience

Writing and Language Test

17
6 to 36

- Draw reasonable conclusions from somewhat challenging texts
- Describe the overall structure of a somewhat challenging text
- Identify claims and counterclaims explicitly stated in a somewhat challenging passage
- Revise text as needed to improve the exactness or content appropriateness of word choices within somewhat challenging texts

- Draw reasonable inferences and logical conclusions from challenging texts
- Analyze information presented quantitatively in such forms as graphs, tables, and charts and relate that information to information presented in somewhat challenging text
- Determine how the selection of specific words shapes meaning and tone in a challenging passage
- Use a variety of sentence structures to accomplish a rhetorical purpose such as persuading an audience
- Retain or add information or ideas to a piece of text to support claims or points in challenging text

21.0
6 to 36

- Interpret a linear inequality in one variable with rational coefficients that represents a context. Select the equation of a line of best fit and interpret the slope and intercept of the line in the context of the situation (when a linear model is appropriate)
- Interpret sample statistics understanding and using margin of error
- Solve and interpret a quadratic function or equation that represents a context and requires multiple steps
- Calculate and interpret frequency distributions using tables and other representational methods

- Determine how a graph may be affected by a change to its equation
- Determine the value of a constant or coefficient for an equation with no solution or infinitely many solutions
- Using a specified model, make a prediction and compare the predicted values with the actual values in the data set
- Within a context, compare the center of two separate data sets with different spreads
- Determine whether two events are independent given their probabilities
- Use a variety of sentence structures to accomplish a rhetorical purpose such as persuading an audience
