Please see the attached flyer for more details or contact naperfundraisers@gmail.com.

Naper Health Office Reminder

COVID-19 Reminder

If anyone in your family tests positive for COVID-19 please notify the health office of your student/s school/s regardless of vaccination status. The school nurse will contact you to determine the next steps needed to be compliant with the District's COVID-19 protocol.

COVID-19 Update

Students who are fully vaccinated and are identified as a close contact to a person who tests positive for COVID-19 will not be required to self-isolate if they are asymptomatic. Fully vaccinated means that the student is at least 2 weeks out from their second COVID-19 vaccination. Please consider sending a copy of your students COVID-19 vaccination card to the health office so this information is readily available if needed.

For those students identified as a close contact to a person who tests positive for COVID-19 **in the school setting** who are not vaccinated, or partially vaccinated now have the option to participate in the Test To Stay program. Through serial testing offered through D203 at PSAC, students will be able to return to in-person learning after their first negative saliva test and continue to attend in-person learning as long as they continue to test as outlined in the Test To Stay program. *This program only applies to students exposed to COVID-19 in the school setting.*

International Travel Guideline:

If your family plans to travel internationally, please notify the Naper health office prior to your departure, so the health office staff may review with you the current guidelines. As of 12/3/2021 District 203 protocol for return to in-person learning after international travel is:

Fully vaccinated students

- Get tested three to five days after travel. **Day of return is day zero.**
- Self-monitor for symptoms for 14 days after return; isolate and test if symptoms develop
- **Fully vaccinated students can return to school immediately.**

Unvaccinated students:

- Get tested three to five days after travel. **Day of return is day zero.**
- Self-quarantine for a full **seven** days after travel, even with a negative test result.
- Unvaccinated students can return on day **eight** if a negative test is provided to the health office
- If your test is positive, isolate and inform your school's health office.
- If you choose not to test: self-quarantine for ten days,, students may return on day 11

FLU SEASON REMINDER:

Now that flu season is upon us, it is extremely important to wash your hands.

Washing your hands is easy, and it is one of the most effective ways to prevent the spread of germs. Clean hands can stop germs from spreading from one person to another and throughout an entire community—from your home and workplace to school facilities and hospitals.

Follow these five steps every time.

1. **Wet** your hands with clean, running water (warm or cold), turn off the tap, and apply soap.
 1. **Lather** your hands by rubbing them together with the soap. Lather the backs of your hands, between your fingers, and under your nails.
 2. **Scrub** your hands for at least 20 seconds. Need a timer? Hum the "Happy Birthday" song from beginning to end twice.
 3. **Rinse** your hands well under clean, running water.
 4. **Dry** your hands using a clean towel or air-dry them.

Covid Shield Testing Volunteers Needed

Covid Shield testing will begin at Naper on Friday, October 1st. Testing will be done every Friday. We are looking for 2 parent volunteers per week to help escort the students to and from their classrooms, and help them with checking in for their test. This will be from 8-11:20am. All volunteers need to be fully vaccinated and wear a mask. Thank you so much for volunteering your time!

NAPER SPIRIT WEAR FOR 2021-2022 IS HERE!

Naper Spirit Wear for 2021-2022 is here! Please click on the link in the flyer below to view all the fun options we have available this year! You can purchase it directly from the website. There are adult and youth sizes available as well. For any further questions, please email your Spirit Wear Committee contact, Seham Atuallah, at wisdominmind@gmail.com.

Mask and Water Bottle Reminders

Please remember students are required to wear a mask while at school. Please remember to send your student to school with a mask and consider sending a "back up" mask in case it breaks, becomes unusable, or is lost during the school day. The school does have some masks, but our supply is limited. Your help in this matter is greatly appreciated.

Additionally, please remember to send your student to school with a water bottle as school drinking fountains are "closed" except for use of filling water bottles.

#203 SHOUT OUT

Do you know of a District 203 educator or staff member who deserves some recognition? Give them a "Shout Out" on the 203 Shout Out Twitter account created by a local parent. Submit your "Shout Out" using this link: tinyurl.com/203ShoutOut

Aramark December 2021 Breakfast AND Lunch Menu

Please make sure to check the Aramark link daily for any possible menu changes. Due to supplier shortages menu changes may occur. Thank you for your understanding!
